A.B.A.T.E. LAWYER REFERRAL SERVICE

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden or Tammy Ward-Railsback.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.

Lobbyist Report

The Kansas Legislature is currently in full swing on many bills and issues. SB101 (E-Bikes) has passed the Senate Transportation Committee and the House Transportation Committee. It now needs to go to the full legislature and then to the governor for her signature. At this point there is no language in the bill harmful or pertaining to motorcycles or motorcyclists.

SB 379 (Autonomous Vehicles). Has had several hearings in mid February in Senate Transportation. It Seems to be temporarily stalled. SB332 (Hands Free) cell phone bill had a hearing in January in Senate Transportation and has not moved since.

SB 521 (Motorcycle / Motorcyclist Profiling) was introduced in the senate By Senator Kloos. It now needs to go to the Senate Judiciary Committee for a hearing. ABATE and KSCOC are trying to get a hearing scheduled for the bill. It is getting late enough in the legislative session that it might not happen. We are going to need people for testimony. I will keep an eye on these bills daily.

On Friday March 11th.
Several of ABATE of Kansas

members attended the Kansas Republican convention, held in Wichita at the Hyatt. We spoke to Senator Kloos and thanked him for introducing SB521 for us.

We also visited with Tracey Mann and thanked him for signing onto HR366 Motorcycle profiling at the Federal level.

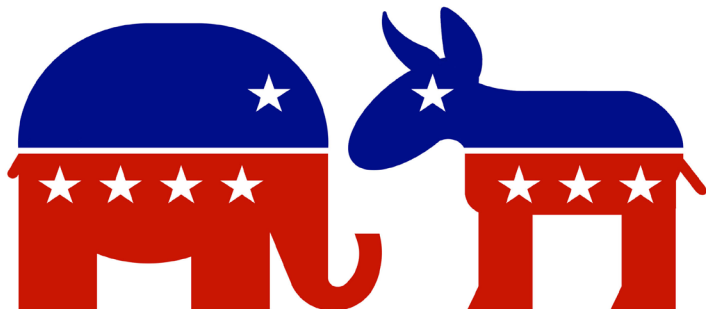

We also spoke to Congressman Ron Estes trying to encourage him to also sign onto HR366 He said that he will look at it again. We also spoke to Congressman Jake Laturner about signing on to HR366 He said he would look at it again and would probably sign on. Tammy and I spent several minutes speaking with Derick Schmitt (Candidate for Republican Governor) . We explained to him what ABATE was about and some of the issues facing Motorcycles and Motorcyclists at the State and Federal level. He seemed very supportive of our concerns. Tammy and I think the evening went well and was very productive.

As always I will continue to watch legislation on a daily basis.

Freedom of the Ride

April 2022

As of late there seems to be a lack of brother and sisterhood. The initials of ABATE stand for A Brotherhood Against Totalitarian Enactments. To me one of the biggest ingredients to a Brotherhood is trust.

In order to advance the mission of ABATE we need to work together. We'll certainly have our disagreements but that shouldn't lead to personal attacks and questioning someone's integrity.

One of the defining principles of ABATE is our love of freedom. As freedom loving people we each have our own lifestyles, morals and outlook on life. While we may differ in those areas, where we agree is in our love of freedom and our support of motorcycle rights. To dismiss the opinions of an ABATE member just because they have a different way of looking at things weakens our Brotherhood and the goals of ABATE.

I ask all ABATE members to join me in rising above our differences to make a stronger organization.

When we have differing opinions let's grab a beer or a Coke and sit down and talk about it knowing we all want what is best for ABATE.

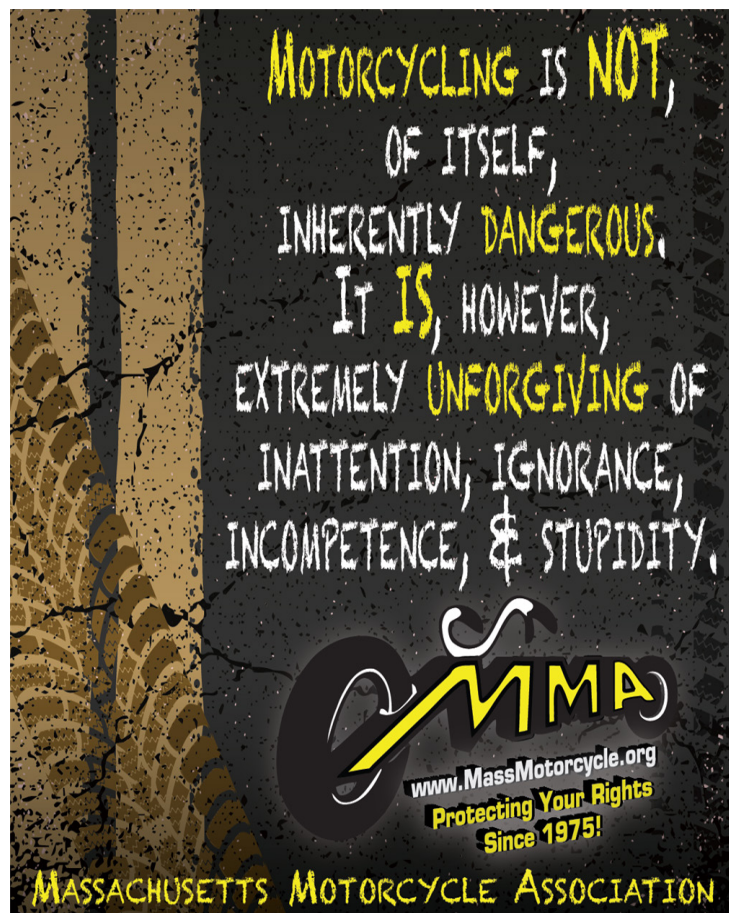

ABATE exists for a reason. There are totalitarian actors out there who want to restrict the rights of motorcycle riders. A handful of people cannot be successful in stopping those enactments but a strong, united Brotherhood can accomplish anything.

Ride Safe, Ride Free and enjoy the Freedom of the Ride

With riding season and spring fever upon us it's hard to believe that the 13th Annual Bikers Inside the Beltway National Motorcyclists Lobby Day is only 2 months away. The event will be held on May 16 and 17 so make your reservations and appointments to meet with your legislators now. Pre-register at the www.MRF.org by May 2.

The event will be held at Embassy Suites, Diagonal Road, Alexandria Virginia 703-684-5900. Rooms are \$219 per night and are limited.

On March 11, 2022 I attended the Republican Convention in Wichita and met with some of our legislators. T and T Railsback and I have also been making more appointments to meet with our legislators at Bikers Inside the Beltway in D.C..

The MRF now has the Policy Engage software up and running and is now sending out daily notices of the legislative activity in our state and calls to action when needed.

The 38th Annual Meeting

of the Minds will be held in Des Moines, Iowa on September 22-24, 2022 hosted by ABATE of Iowa. The event will be held at the Des Moines Marriott Downtown 700 Grand Avenue, Des Moines IA 50309. For reservations call 515-245-5500 and mention the Motorcycle Riders Foundation. Room reservations are \$119 a night with cutoff date September 7 2022. For registration questions call the MRF at 202-546-0983 or email Fred Harrell at fred@mrf.org.

With spring coming, make sure your motorcycle is in good condition for you to enjoy the 2 wheels on the pavement and the wind in your hair. Now is the time to make sure your tires are in good shape and properly inflated. Remember to look twice, save a life, the life you save will probably be your own.

A call to order, the Pledge of Allegiance & A Moment Of Silence for Fallen Brothers & Sisters, And the March 13th Meeting was underway.

The minutes of the last meeting was waived. The treasurers report was accepted. And the discussion of the previous days State meeting began.

While a more in depth synopsis of that meeting can be found elsewhere, here's a brief summary. There was an executive session to deal with some of the membership problems. A T-Shirt Design for the Motorcycle Mayhem Event was chosen. A summary of ongoing preparations for the Labor Day Rally was presented. Our Lobbyist told us the Anti-Profilng Law had made it to the Judiciary Committee. It is not yet the time we need to be contacting Legislators. However if the profiling has caused any of you to be stopped they would like to know the story.

There was then a discussion on the fate of District 6, both in the district itself & how to handle the frozen assets

This last subject brings us back to District 2. For several years District 6 paid for a fuel stop for the National Run For The Wall. This took place at Bunker Hill about 34 miles East of Hays. I was recently contacted by the Kansas Coordinator for the Run For The Wall. He was inquiring if I had any idea of what was happening. One thing led to another and I got it where I'm

(& by extension the District) is working at spearheading this what I feel is a very important project.

After contacting some American Legions & VFW's several have made donations. Some ABATE Districts have also made donations to the cause with some committing to seeing if they had some organizations that would help. It should go without saying that District 2 voted to Donate. And I haven't quit what I'm doing. The Run is scheduled to be in Bunker Hill on May 21. Maybe come out and show some support. If you would like to Donate or know someone that would contact me. 785-302-1273.

May is Motorcycle Awareness Month. It is time we get with it we decided and get some Large Awareness Signs Installed. We do have 4 of them ready to go. We have set a date to go May 8th as the day to do this. In keeping with a goal of placing one on each Highway in the District, there are 3 locations already approved. We will put them in on that day, We will follow this with our District meeting.

Our 38th Annual Poker Run is on June 18th. Does any of you have any person or organization in mind? Suggestions have been made, have to finalize the ideas at the April meeting. This is for the obvious reasons. The last of which is so we can know what we are doing. Now we wouldn't want that to be a scare? The second is so we can check on a

T-Shirt

Now meetings, the April Meeting will be on the 10th at Fred Downey's house at 4pm. Fred lives at 341 4th Street in Phillipsburg. The May meeting will be on the 8th at Pooche's Starting time scheduled for 4 but this will be somewhat dependent on how our sign installment project goes that

day.

There ya go here is what was discussed.

Ride Safe. Come to a meeting, support ABATE state & District Functions. Please,

District Rep RC Harman

785-224-5063

RC called the meeting to order at 1:11 pm. There were 21 members and 1 guest present. The Pledge of Allegiance was recited, and a moment of silence was held for lost

brothers and sisters, our first responders, and our military. A prayer was said by our chaplain.

Secretary's Report: Frank moved to waive the reading of the minutes, Robert seconded,

approved.

Treasurer's Report: RC provided a general report. We have paid for some of the Biker's Ball expenses and have a bill from the storage unit that we need to discuss with them. We have a fair amount in the RFTW fund, but with gas prices rising it may not be enough at our fuel stop.

State Report: There was much discussion about the LDR and the beverage garden. Amber is going to take over the margarita sales at the stage bar. There was an almost unanimous vote to allow District 4 to have well drinks and up to 4 signature drinks. Several tons of asphalt grindings have been brought it to extend the beverage garden pad as well as for the main road.

RC brought up the idea of donating money towards the rear tire prize that District 3 will be providing at the Motorcycle Mayhem in June. It was moved and approved to donate toward this prize.

RFTW: Since D6 is inactive they are not raising funds for fuel at the Oakley stop. There was discussion about each district chipping in funds to cover the Oakley stop. Bear with District 2 is willing to accept the donations and oversee efforts in that area. RC and others have an idea that we raise enough funds to pay for all the fuel costs for RFTW in Kansas.

AMA/MRF Report: Please read the MRF report in the newsletter. Join the MRF, and the AMA to support advocacy efforts in Washington.

Old Business: 2022 Calendar of Events: Still need a site for our September 11th meeting. Steve will call Banner Creek to see if that is a possibility.

Nominations for District

Representative and Secretary. Today is the last meeting that nominations can be accepted.

Nominations opened: No additional nominations for Representative and no additional nominations for Secretary. Nominations closed with RC Harman the only candidate for District Representative and Steve Christenberry for Secretary. Ballots will be in the next 3 newsletters

2022 Fire Pit Fundraiser: Fire pit is still being built.

New Business: Charlie Unrein has accepted the appointment to Road Captain and Mike Garrison will be his assistant.

District 4 Trustees: RC proposed that the three appointees choose papers numbered 1, 2, and 3 from a hat to determine initial terms at our April meeting.

RFTW Fundraising: RC, Karen, Frank, and others were at Historic Harley Davidson last Saturday and received some contributions. Frank will be there on the 19th, and a few others volunteered to join him. Robert announced that the CVMC is contributing a significant amount to the fund.

The CVMA is proposing that they, and ABATE, have a "taco run fundraiser" for the RFTW where riders from the west and the east converge on Salina where there would be food trucks and the like with the goal of paying for fuel across the entire state of Kansas. One reason this came up is that District 6 used to raise funds for the fuel stop in Oakley, but now that 6 is inactivated no one is raising funds out there.

Next District 4 Meeting: April 10th, Papan's Landing
Adjourned at 1:31 PM

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.
