Legislative Director Report

Legislative Director /
Lobbyist Report March 2025

The 2025 Legislative session is moving along quickly

HB 2031 on changing the language of MSF instructors.

This would allow MSF instructors from out of state to be able to teach motorcycle safety training in Kansas with a valid driver's license from out of state and an M endorsement. It has passed the house and senate but needs the governor's blessing.

HB 2288: The right-to-repair bill is dead for this year. It did not get a hearing in the transportation committee. February 24th was turn-around day in our Kansas legislature. The 2025 legislative session is 6 weeks shorter than a normal year. The House Majority leader Rep. Dan Hawkins and Senate Majority leader Senator Ty Masterson pre-set this year's legislative session dates before January 13th, 2025. This was done so they could better control their agenda. This is not fair to Kansans.

There is currently an M.R.F. call to action for HB 2288 in Kansas. Please go to ABATE's Facebook page. It is short and simple and will go directly to your house representative.

There is also a survey for the definition of a motorcycle and it will help Tammy and me get a bill next year in the 2026 legislative session. You can also take this survey by going to ABATES' Facebook page.

At this point in the 2025

legislative session, any bill that did not make it out of committee is dead till next year.

On February 28th, the Democratic convention (Washington Days) was held at Hotel Topeka. It was well attended by the Democratic party. There were not very many legislators there because it was not an election year. A big thank you to the ABATE board and several others for a fantastic hospitality table. Well done. Thank you again. This makes my job easier down the road and helps promote ABATE of KS.

The next thing on my legislative agenda is filling out the paperwork for the governor to recognize the month of May as Motorcycle Awareness Month. I will keep you posted on how it turns out. I do not foresee any problems.

Also on May 19th is Bikers In The Beltway in Washington D.C.

This is an M.R.F. event open to all. There are several of us from ABATE and KSCOC who are going. This event keeps our Senators and Congressman in Washington D.C. informed on the needs and priorities of Kansas motorcyclists.

For any of your legislative needs, please reach out to Tammy or me.

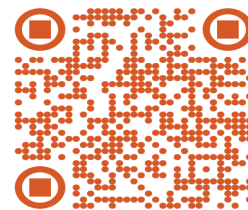

Respectfully

Legislative Director /
Lobbyist

Tony Railsback

PROMOTING AWARENESS OF ABATE OF KANSAS

Motorcycle Riders Foundation Report March 2025

On 02/14/2025, the Motorcycle Riders Foundation participated in a reception for the Congressional Motorcycle Caucus. The event played host to several lawmakers, including the Co-Chair of the house motorcycle caucus. The Senate Motorcycle Caucus. Additional legislators present included newly elected Rep. Dave Taylor (Ohio) and Rep. John McGuire (Virginia)

The two caucuses are made up of legislators from both parties who have an interest in supporting motorcyclists and the motorcycling lifestyle. The event also included several Capitol Hill staffers and motorcycling groups, including the American Motorcyclist Association, Harley Davidson Motor Company, and the Motorcycle Industry Council.

Growing these motorcycle-focused organizations is a priority for the Motorcycle Riders Foundation. Events like this one and the annual Ride

To Work Day on Capitol Hill are great ways to connect with elected officials and their staff in a less formal setting and build relationships that can help impact our legislative agenda.

Just hours after being confirmed as Secretary Of The U.S. Dept. of Transportation, Secretary Sean Duffy issued a memo phrased to protect the internal combustion engine. The memo directs the National Highway Traffic Safety Admin. (NHTSA) to immediately review and reconsider all existing fuel economy standards for vehicles produced from the 2022 model year forward.

The memo states that these fuel economy standards are set at such aggressive levels that automakers cannot, as a practical matter, satisfy the standards without shifting away from the internal combustion engine vehicles to alternative electric technologies.

The Corporate Average Fuel Economy (CAFE) standards under review were enacted during the previous

administration. CAFE standards are one of three objectives being used in the effort to eliminate Internal Combustion Engines (ICE) The second objective is tailpipe emission standards issued by the Environmental Protection Agency (EPA) Many presume the Trump Administration will order the EPA to conduct a similar review of those standards, which compel carmakers to sell more electric models. The final objective in the effort to eliminate ICE is the EPA's waiver process, which allows California to enact its own rules under the Clean Air Act and is also under scrutiny.

The Motorcycle Riders Foundation will remain engaged on this issue and fight to allow you to choose the type of engine you want in your vehicle.

On May 19th and May 20th. The Motorcycle Riders Foundation will host Bikers in the

Beltway. Riders from all over America will be in attendance.. The objective

is to go to Washington D.C. and make appointments with all of our Federal legislators from Kansas and voice our concerns as motorcyclists and motorcycles and our lifestyle. There are several of us from ABATE and KCOC

That will be in attendance. We look forward to sharing our trip experience with all of you.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

A.B.A.T.E. Lawyer Referral Service

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.
