~ State Meeting ~

The ABATE of Kansas state meeting was called to order at 11:55 am at the American Legion Post 9 in Garden City KS on 7/13/2024

Pledge of Allegiance

Moment of Silence- please keep Richard Prock in your thoughts as he undergoes health treatments

Roll call- all present except District 11 & 15. Bill C. for District 5.

Secretary report- Amber read a condensed version of the minutes. A motion was made by Stacy (2nd by Bill S) to approve the minutes as read. Motion passed by a show of hands.

Financial report- Lori went over the packet provided. A motion was made by Barry (2nd by Bill S) to approve the financial report. Motion passed by a show of hands.

Old Business- Byron reminded everyone to check out & help sell the raffle tickets for the 49th & 50th Labor Day rally's. Lori was able to get answers to the questions that were asked last month concerning the State & District board positions as they pertain to having the raffle & liquor licenses. All State officers & District representatives must live in the state of Kansas & not be a felon. If the District is to get their own liquor license for an event, their board members cannot be a felon. Anyone serving or taken money for alcohol at any state or District event cannot be a felon. More ideas were suggested for a winter time State event, including using the event center in Hutchinson & an "old time bike rally".

District 10 asked about

switching state meeting month with another District as there are other events in town that weekend that hurt the people turnout to their event. District reps are to ask their Districts. Tabled until August. Byron said that we have insurance coverage through part of August. We are still getting bids from other insurance companies but not many want to insure our events. The agent from Westbend will be at the August state meeting to answer questions. Tabled from last month was the question to allow the VFW to set up a vendor spot at the rally to sell memberships. After discussing, it was decided they could at the vendor price but not for free.

Lori asked that names & addresses be printed clearly of membership applications so she can get them to the person in a timely manner.

New Business- District 11 has their field events July 27 & 28. Please plan to attend. Nominations were opened for President, recording secretary & Sgt at Arms. There were no new nominations. Closed until August. Byron asked about the fb page & who is on charge of it. After discussing, a motion was made by Dave (2nd by Bill) to make the President of ABATE the administrator & the state officers (recording secretary, Treasurer, Sgt at Arms, Member at Large, & corporate secretary) editors to any ABATE of Kansas social media pages. Motion passed with a show of hands. Lori asked about who should be listed for the A2 hosting also. No objections were made when it was suggested that that be website editor.

Russell asked about the District Treasurer being bonded. Will ask the insurance agent next month.

Labor Day Rally- Hay has been cut. The fire department will be working to burn the tree piles. Trenches have been dug. Work weekends have begun. The solar powered lights have been purchased. Nathan V is helping Tammy R with vendors this year. Still looking for a motorcycle mechanic & motorcycle tire vendor for the rally.

District 4 is testing new beverage ideas for their beverage garden. The ice machine at the rally grounds quit working. Please bring your own ice to work weekends for the time being. Sis has a chest freezer to donate to help. Thank you, Sis.

As always, help from the clean up after the rally is appreciated & needed.

Lobbyist report- absent
Raffle report- absent
Motorcycle Awareness report- please see in your newsletter

Public Relations- Sis said that motorcyclist are not understanding the laws trying to be passed. We need to do better

at getting the information out there.

MidSouth MILE- Sunita asked that everyone try to attend the Mile in Hot Springs, Arkansas thus Oct 25th-28th. A motion was made by Lori (2nd by Bill S) to donate the predetermined amount to the MILE basket. Motion passed with all board members voting yes. Bill C announced he would be stepping down from the Mile.

Corporate Secretary- Kitty reminded everyone that all fliers must be sent to her & approved before being shared or printed if has ABATE of Kansas on it

Newsletter editor- Lauren absent. Newsletter deadline is July 16th by 5 pm. NO EXCEPTIONS

Website report- absent
Products- Bill has pocket tees in. buy them.

Thank you Dist. 10 for hosting & a great lunch

Just a quick update this month as we're busy getting ready for the Labor Day Rally! Changes are in store for the Labor Day Rally grounds that we think you'll be excited about. First off, the vendor area will be moving up to the hill north of the shower house. New electric has been installed in this area. In addition, we will now have

two beverage gardens under the one tent on the hill. Another change is that the main stage and the main stage beverage garden will be moving to the west of the new vendor area. Those moves open

up the old vendor pad and former stage area to become the RV Ranch. Don't worry if it's a little hard to picture it all but I know that when you see it you're going to agree it's a big overall improvement.

Most of all though I just want to say we are bringing the party back together! I hope you'll all come out this Labor Day, support ABATE of Kansas and enjoy the party!

Legislative Director Report

There is little going on at our state capitol or in Washington DC. regarding motorcycling issues at present.

On the other hand, this is an election year. August 6th is the

Date for the primary. We have a lot of Representatives, Senators, and Congressmen running for reelection. Some of our old ones need to be replaced. As Legislative Director for ABATE, I have to stay Bipartisan.

But if you want my personal thoughts talk to me off the playing field. There are some good people who would be great advocates for the motorcycling community in Kansas if elected.

Respectfully
Legislative Director
Tony Railsback

MOTORCYCLE AWARENESS REPORT

The more I look at data about motorcycle crashes the more concerned I am about riders' skills and focus/attention/perception when riding. Recent information from the NHTSA Region 7, which includes Kansas, Arkansas, Iowa, Missouri, and Nebraska show an alarming increase in motorcycle rider fatalities over the past few years.

In 2019 there were 97 fatalities of un-helmeted riders. In 2020 there were 137, 2021 there were 206, and in 2022 there were 200 fatalities in this region. In Kansas in 2022 there were 924 total motorcycle crashes, 825 injuries, and 52 deaths. This is all crashes with no differentiation about whether the rider/passengers were wearing helmets or. The data shows that crashes occur mostly at night, when the rider is impaired, excessive speed, and failure to negotiate a curve. The majority of motorcycle crashes in Kansas and in Region 7 were single vehicle. The 5 Kansas counties with the most fatalities over the past 4 years (2023 data is not yet available) are Dickenson, Jefferson, Douglas, Edwards, Sumner, and Osbourne. Interestingly, the top 5 counties where the fatality was attributed to impaired

riding or speeding are not the same as those with the highest total fatalities.

There are many preventable crashes between cars/trucks and motorcycles, with the usual "I'm sorry, Officer, I didn't see the motorcycle" excuse in many of those cases. Distracted driving, or riding, is a huge contributing factor. While texting while driving is illegal in Kansas, we have yet to pass a hands-free law, meaning operators cannot have a phone in their hand while operating their vehicle. We also know that even with a law, motorists will continue to have their phone in their hand while driving.

All this means that riders have to be ultra focused when riding, as we often have to take evasive actions to avoid a crash. We need to use proper riding strategies, such as lane position, not being in blind spots, and not speeding, being impaired, or insufficiently trained. We do need to continue efforts to educate other road users that we too use the roadways, but we need to take as much responsibility as we can on ourselves since we can't assume the motorist will. Ride alert, focused, and be as safe as possible. Steve Christenberry

I was asked about 20 minutes ago if I could put something together for the MRF report in our August newsletter. As I am a member of our MRF committee and designated as Assistant representative to the MRF I figure why not give it a shot.

Remember WHAT the MRF is doing for us with our help and input. This is OUR REPRESENTATION on the national political scene. Our membership dues and actions are what keep this group fighting for OUR RIGHTS as motorcyclists.

These are mostly common goals with each state Motor Cycle Rights organization.

Anti-Profiling bill:
Maybe if we can get our

national politicians to get off their asses, and do something with the legislation they have been given we could get laws in place to protect motorcyclist rights and freedoms for being citizens of this country.

Autonomous Vehicle Regulations: Bikers don't exist in the detection systems of many of these computer-controlled vehicles. How well are these detecting pedestrians, our family on bicycles, or your family pets? These things are still killing people, while regulations fail to occur.

The Fuel In Our Engines: How much alcohol can they pour into your tank? Your warranty most likely gets voided if it is found out you bought

gasoline at most of your neighborhood gas pumps. 10 & 15% concentrations of alcohol exceed what most small engines are designed to run on.

Planned Obsolescence of the Internal Combustion Engine: Proprietary tools and repair information result in all machines having to be replaced. Find a dealer that works on carbureted vehicles, try and to buy parts for 20-year-old motorcycles from your dealer. If you are lucky, they will direct you to some other parts supplier that will be capable of supplying the part you need.

Do we have the right to repair our equipment? Not if we cannot get the information to repair, the necessary tools, and the needed parts.

Contact your Federal and State Legislators and let them know of our concerns.

If you would like to find more ways to help fight these battles (your bikers, not the ones to sit by and do nothing) September 26-29, 2004 in St. Louis Missouri (only one state east) will be the Meeting of the Minds, a national meeting of the MRF to discuss the motorcycle rights agenda for the next year, seminars to teach us how to communicate with the politicians we have to convince that we are valuable.

DISTRICT

Decatur, Graham, Norton, Osborne,
Phillips, Rooks, Sheridan, Smith

District Rep Larry Kibbee
785-623-0420

The July 14th District 2 meeting was held at Rick Johnson's house in Bogue. There were 13 Members in attendance.

The meeting started with the Pledge of Allegiance & A Moment of Silence for Lost Brothers & Sisters.

The Secretary report was read & approved. Since this was the first meeting after the Poker Run, the Treasurer report was a little more involved than usual.

However it must of been right since it was approved.

Larry then gave the report about State ABATE meeting. The state report is in the newsletter.

The old business started with a report on the Poker Run. For the 40th Year I would call it a success. We had I believe 41 Bikes make the run. While one broke down we once again made it with No Accidents. We have always been proud of that

Safety Record.

As many of you know we Raffled off a Quilt with all 40 T-Shirt Designs. It was Won by Roberta Quanz. Roberta matched us up with the person who designed a number of the earlier designs. She is also the person who established how we sell T-Shirts. It is a manner where we end up with none or very few left over. Congratulations Roberta.

The T-Shirts sold well, however due to a manufacturing glitch the price was a bit higher. Some profit was still made and it was donated to the money we gave to help LouAnn with her medical expenses. After adding up the T-Shirt donation, the raffle proceeds, some Donations & the Poker Run itself a check was sent to LouAnn. Get well soon.

Cody Bredemeir, Norton asked if we would make a donation to the Lego's for Leukemia. They buy Legos & donate them to the Children's Hospital in Denver. We made a donation to help. On a personal note, maybe it's just me but it seems like bikers have had a hard time not helping kids.

Maybe it's just me. We held nominations for Secretary & Assistant Rep. we are still needing an Assistant Rep. nomination. Last month Shawn was nominated for Secretary & this month they added me (Bear) to the list. Nominations go for one more month.

We're in a slow period right now so Please Ride Safe. Keep Cool & come to a Meeting.

Ah Yes the meetings. The August 11th meeting will be at Cowboy Junction in Hill City.

It is located on 280th Avenue. That's not real precise, Hill City, East end of town next to a truck lot on the North side is the sign, go North, it's up the road a bit.

September 8th is at Cody Bredemeir' in Norton at 17162 Eagles Road. East of Norton on Highway 36, close to the Awareness Sign is a road sign on the South Side that winds back into town. Cody's is the 1st Place on the Left. The October 13th meeting will be in the Osborne Area. Mark Roach will be hosting it. The exact location will be announced when he knows what it is.

The District 3 meeting began after 1 p.m. on 7-7-2024 with the pledge of allegiance and a moment of silence for fallen brothers and sisters. There was a county rep. roll call. Before the secretary's report, Russel mentioned that the trailer had been picked up and taken to Bill's. Tracy also mentioned that he will no longer be a co-county rep for Montgomery County.

Arlene gave the secretary's report. JR motioned to read the minutes in the newsletter and Troll second the motion. All agreed. JC motioned to accept the secretary report, and Troll second it and the motion passed.

There was not a treasurer report, but Russel wanted to talk about people interested in doing it. Sam and Windy both expressed interest. The background checks were brought up and there was some discussion as to what we would look for in said background check and the parameters of that process. Credit checks were brought up, not many people liked that idea. Being bonded was mentioned. JR made the motion that we do the bonding that just the rep and the vice rep will be the only ones with that information. Troll second the motion. There was some discussion. All were in favor. JR made the motion that we have our books audited so that whoever takes over the books can have a clean slate. Windy second that motion and all agreed. Chris made the motion to allow Russel to spend up to a

predetermined amount to have the audit completed and Chuck second that. All agreed.

Russel gave the state report and our Sergeant at Arms was brought up. We have a line in our policies that needs to be removed in order for board members to not need to live in state. There was some discussion as to what this means and what it looks like. JC made the motion that we amend the verbiage in the policies and procedures. JR second that.

The change will be stated as such... Office Terms 1.ii.1. "In accordance with ABATE of Kansas District 3 Policies and Procedures." This will be sent for approval A.S.A.P.

The other things regarding the state meeting had to do with our insurance issues. The insurance rep will be at the state meeting in August. If anyone wants to go to the state meeting with Russel, let him know. The August meeting will be at Ozwakie. JR made a motion to accept the state report and Mama Sherry second. All agreed.

Old business- Main street memories for the stage, they have not received any money yet. There is money left from our bands and before we spend anything, JR would like to table this issue until we have our bank audit. He made the motion and Amy second that. All agreed.

Russel stated that there are a few checks that need to be written. He also said that we need to be aware of family financial situations before we

continue to hand out a bunch of money. JR stated that we need to also look at our internal issues with our members and things like our Downed Bikers Fund. There are folks within our district that are struggling with the same things that we are donating to others. Steve stated that we need to put a cap on this and that there should be an application process. We need to be giving back to the community. JR said that it is different and difficult for members that have only been here for a few years as opposed to those who have been here for a lot longer. We need to be giving back to ourselves as well. Maybe there needs to be a policy or some forms that we can put into place. We need to get into looking at the downed bikers and what we can do to reach out to our D3 community so that we can begin to help our in-house and get this rolling. This was tabled until the next meeting.

Russel brought up the McCullum Pool Tournament and Sam is looking into things for food. July 20th is the pool tournament and we need to get the word out. The VFW in Independence will put it on and make the flyer. We will show up and show our support as a district. Main Street Memories in Erie will also be on the morning of the 20th.

New Business- JR brought up that we need to get our Bike Show and Rally flyer going. If anyone has flyer ideas or would like to submit one, please do so within the next 60 days. There was also some discussion about the person over entertainment. If there are other people and/or suggestions please bring up next month that we talk about it at the next meeting. JC brought up the bike show and how we can get some lighting and bring some of those ideas to the next meeting.

Dale brought up district 11 has their field events soon and we need to help with that. Co-rep for Crawford County will be Dale. All were in favor of him volunteering.

Russel brought up the appreciation party. It was tabled until next month.

JR brought up our tri-fold and said that we need to get the word out. Sam was appointed interim treasurer per executive board vote in front of the attending members. JC made the motion that as soon as 50/50 was drawn, that we adjourned. Amy second that and all agreed. Momma Sherry won the 50/50 and she donated it back to the Downed Bikers Fund.

Assistant Rep's Report: Keegan had nothing to report – he will be MIA for Field Events.

Atchison County Report: Chop is still working on FE sponsors – sponsorships will be taken up to the event however the sponsorship packets will only be available at registration at the event, and they will not be listed on the shirts because that deadline was 2 weeks ago.

Leavenworth County Report: Ric is MIA. Doyle mentioned that Sharon Eddy just passed away. Sharon was our VA representative for many years for the events that we put on at the Leavenworth VA Domiciliary. Lea motioned that we donate a specified amount to the VA Domiciliary in the name of Sharon Eddy - Sonja seconded – all approved – motion passed. Lea mentioned the memorial service that was recently held for Ramona Price – it was held at Alan & Robin's farm, so Robin described the memorial service which was held on 07/13.

Doniphan County Report: Robin mentioned the ride to the Evel Knievel Museum went well on 07/13. Robin mentioned possibly doing another ride later in the year – this was tabled for a future meeting. July 27th is National Korean War Veteran Day. CVMA state meeting will be held on 07/20

Brown & Nemaha County Report: Jason was MIA.

Products Report: Lea ordered all the staff shirts and FE shirts, and the shirts will be ready for pickup in a week.

Old Business: Doyle and Rusty attended the CMA Car and Bike Show and sold a few raffle tickets before having to pack up shop due to high winds. Field Events: Discussion was held on event shirts and possible fees on credit card transactions. Keegan motioned to add 3% to all credit card transactions to cover fees and Lea seconded the motion – all approved. No alcohol sales again this year because the city of Easton turned down the request, so the event is BYOB again this year. Next Saturday (07/20) is a workday at the Field Events site starting at 9:00 AM. Discussion held on fencing for the event – we do not have enough fencing or t-posts to enclose the site as we would like to do and don't really have the funds to do that either. Everyone working at the event will have to keep eyes open for possible walk-ins without armbands. Doyle mentioned a

trailer was donated by Bruce Fund to store and haul D11 t-posts and fencing and he is working on getting the trailer ready to use next weekend. Marlin will get a load of rock (5 tons) to repair the entrance roadway at the site. Tim mentioned another possible option to get rock from the Atchison rock quarry where he works. D. Social Media. All ABATE of Kansas Inc. Social media accounts will be administered by the current President. With the state officers (Vice President, Treasurer, Recording Secretary, Member at Large, Sgt. At Arms & Corporate Secretary) acting as editors, moderators or the title the social media platform uses for the equivalent. If the president does not have a social media account a state officer will be appointed Administrator. (July 2024)

I wanted to share the float that myself and my husband Nathan put together for the Havensville Independence Day Celebration. We have been going to this event for the last few years. I wanted to share this because if you have a similar event that you go to why not put together something like this to promote ABATE of Kansas and have us be seen in the community. And help the younger generations get involved. My kids and extended family had alot of fun doing this together and plan on it next year also if anyone wants to participate.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

A.B.A.T.E. Lawyer Referral Service

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.
