LOBBYIST REPORT

The Senate Foreign Relations Committee met and voted on Governor Brownback's nomination as U.S. Ambassador at Large for Religious Freedom the first week of October. It was a close vote, 11 to 10 in favor, so it will go to the full Senate for confirmation. It is anticipated that he will be approved by the Senate. Lt. Governor Colyer will assume the reins of the governorship once that happens. We really don't know where Colyer leans on policy, so that is somewhat of an unknown at this stage of the game. Governor Brownback signed Motorcycle Awareness Proclamations each of several past years, so we'll have to see if Colyer is willing to do so as well.

Many ABATE of Kansas members attended the Mid-South M.I.L.E. event in Hot Springs, AR in October. Kansas won the award for the most attendees of the 6 six states that are part of the collaboration. Jeanie and I attended workshops on leadership, AMA updates, MRF updates, rider safety, and of course of course the state SMRO updates and the banquet. Mike Sayre from the AMA was there and did workshops on AMA strategies as well as issues involved with automotive technology. The state updates were quite informative. Many states have reported incidences of motorcycle profiling, although interestingly some incidents are not reported to the SMRO's or contested with law enforcement. Right of way violation bills are in the works for several states, including Kansas. It was good to see old friends and unite to focus on motorcycle rights and safety. Next year's event will be in Oklahoma City. I encourage

our members to attend if possible, as it is a learning experience and a way to connect with bikers in other states. As always, I encourage you to join the MRF (Motorcycle Riders Foundation) and the American Motorcyclists Association (AMA), to stay abreast of happens on the national front. The Bikers on the Beltway event will be in Washington in May next year, and in September the Meeting of the Minds will be in Denver in September. More details forthcoming, but if you can break away from work to meet with you federal representatives, or attend the annual MRF conference, it would be a very educational experience, as well as a chance to meet with legislators.

While elections for state offices are a year away, races are already heating up. It seems like it changes daily, but there are around 8 Republicans registered to run for governor, and another 5 or so for the Democrats. Interestingly, there are three teenagers that have announced their candidacy, two Republicans and one a Democrat. None will be old enough to vote in the primary elections next year, and only one of them will be of voting age by the general election. Perhaps our youth are getting fed up with the current political situation, which might be a very good thing.

As reported last month, the Kansas Supreme Court ruled that the level of funding for K-12 approved by the legislature was neither adequate nor equitable. A subcommittee has been formed to start working on legislation to address these issues, which have to be addressed by the end of April when initial briefs to the Court will be required.

I have registered with the

Secretary of State as the ABATE of Kansas Lobbyist for 2018, paid the fees, and have my 2018 badge, so am ready to serve our organization as we go into the next legislative session.

As always, please contact me with your legislative concerns and also your legislative contacts. It is always nice to be introduced to a legislator by someone who has a relationship with that person. And while it is a bit more difficult to contact your representatives during the off session times, I can provide you with their personal phone and email address if you need. My contact information is in the newsletter.

Respectfully
Steve Christenberry

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

6% of total rider deaths during those years

Fatalities resulting from a collision with a deer are an emerging trend within the last decade. During 2002-2012, 48 motorcyclists have been killed in a crash with a deer, nearly five times more than the 10 deaths between 1991-2001. 2013 is on pace to be the deadliest year with rider deer crashes.

Habitat and range

White-tailed deer live in prairies, forests, swamps, wood lots and agricultural fields. They are common in both suburban and rural areas. Deer become a traffic hazard when crossing highways.

Reproduction

White-tailed deer mate from November to early December. Their young (often two fawns, weighing eight pounds each) are born seven months later. During the mating season, male deer (bucks) travel widely in search of females (does). It is at this time they become a real hazard on roadways.

Safety Tips:

Deer are unpredictable, it is important for riders to be alert and focused on riding. Also wear full protective gear, including a DOT-approved helmet.

When encountering an animal slow down and use both brakes to stop. If a larger animal, like a deer, jumps out in front of you, use emergency braking (applying both front and rear brakes) to stop as quickly as possible. If you are unable to stop in time and/or contact is imminent after maximum braking, and you have room in the lane, release the brakes and attempt to swerve slowly behind the animal.

Rider training is an affordable, potentially life-saving option. Training is important for beginning, as well as experienced riders, to sharpen skills and improve crash-avoidance techniques.

District Rep. Jack Frost 785-383-4836

In Jack's absence, Charles convened the meeting at 1:15. After the pledge of allegiance we had a moment of silence for lost brothers and sisters, as well as members of our response agencies and our service members and veterans. There were 13 district members present.

Secretary's Report: October meeting minutes will be in the newsletter, which has not arrived in the mail yet. Steve provided a brief review of the minutes from the last meeting. Jeanie noted that she had received an electronic version of the newsletter.

Treasurer's Report: Nicole reported on our current balances after expenses for Toys 4 Tots, which includes our insurance fee and fee to the City of Topeka for the ride, some of which is a deposit that we will get back after the event.

State Report: Charles provided a review of the October state meeting. The October state minutes will be in the forthcoming newsletter. Alcohol sales were perhaps the biggest fundraising part of the rally aside from registration fees. Apparently the state of Kansas may be requiring a food license for things like selling soft drinks, so we are working on steps to address the issue. There apparently were issues with the front gate, and next year we'll need another district, or districts, to step up to handle admissions. There were 3622 people who attended the event.

The November state meeting was at the Ozawie American Legion on November 11th. Tammy has decided to not resign

as the newsletter editor but is needing assistance to get the newsletter published. Nemaha County has asked to move to District 11. Frank moved to allow Nemaha County to move to D11. Alvin seconded, approved. Will notify the state and Jodi at D11 that our district is okay with this. It was voted and approved that districts contribute 5% of proceeds of events to the state to help cover expenses for the state office and other expenses. Brian Van Dyke is our new State Treasurer, Ringo was voted to be an at large member, and Byron Harden voted in to continue as Vice rep for the organization.

SMART Report: 2017 classes have been completed, will provide a summary of student completions by the next meeting.

MRF Report: There has not been much action at the federal House and Senate recently that pertains to motorcycle issues. Most of the discussion at the federal level is focused on the budget and a tax bill. We still have the two resolutions about profiling so we need to continue to communicate with our legislators about supporting these efforts.

Products Report: Kerry reported on current status of products. He is not pleased with the current shirt vendor and plans to look for another vendor. Lori knows the vendor that did the previous rockers and suggests that we contact that company to get those done. Kerry also discussed options about jello shots at events and how it might be a very profitable sales item.

Old Business: Mid-South

M.I.L.E. Kansas had the most participants at the M.I.L.E. this year, held in Hot Springs, Arkansas. Next year's event will be in Oklahoma City, Oklahoma. It is a great opportunity for education and to network with motorcyclists from the 6 states in the collaboration. Ringo noted that there will be discussion about hiring a bus to take Kansas ABATE members to future events, particularly on long trips like going to Louisiana two years from now.

Toys for Tots: The Jam Session at the Flamingo on November 5th was a good event and we raised a good amount of money and toys for the event. We will start at American Legion Post 400 and end at Post 1 this year. Walmart has committed to provide cookies for the event. Nicole will contact Papan's about what they can do this year, hot chocolate, coffee, etc. Shirts have been ordered, insurance has been paid, and we've communicated with the City of Topeka and the TPD Motorcycle Officers about the escort for the ride. There was discussion about having a pre-ride briefing for the riders, as in the past we've had issues with riders leaving the procession or passing other riders. Still need donations for the drawings, but Nicole has obtained a number of items that should be of interest for the action and drawings. We have the capability of taking credit cards this year, thanks to Nicole. The CMA has offered to bring hot chocolate and snacks to Post 400 at the beginning of the ride.

New Business: 2018 Bike Show: We had much discussion about the options for a show next year. Jack and Steve met with Jake Schmittlein, the General Manager at Heartland Park, last week, and they provided a

bid for use of their facility. We also received a contract from the ExpoCentre. Either option is expensive, and we don't have much time to get things in order. It was suggested that we bring this back to the District at the December meeting and see if members have other suggestions, perhaps doing a one day ride in show, maybe in June.

District Facebook Page: Kerry brought up concerns about who in the district can manage the page. We think Amber is the original administrator, although some of our members do have editor rights. It was agreed to ask Jack to take this to the state board meeting and ask that administrator rights be granted to district board members. In the event this is not possible, it was suggested that we discontinue the current FB page and that a district board member start a new one.

Upcoming Events: Toys for Tots button making party at Don and Whitey's on November 18, 3 PM, bring a side dish.

Marine Corps Reserve Toy Run, November 26, 2017

2017 Christmas Party, December 2nd at the Goodyear Shelter House. Alvin moved to approve Shawn Ward to play at the event, Kerry seconded, approved.

Bikers Under the Dome: February 13, 2018, still waiting final confirmation

Next District 4 Board meeting: December 6, 2017, 7 PM, Papan's Landing

Next District meeting: December 10, 2017 1:00 PM, Papan's Landing

Meeting adjourned at 4:20 pm

WASHINGTON, DC

Protecting Your Rights in our Nation's Capital

On October 27th through the 29th, I attended the 26th annual Mid South MILE at the Clarion Resort in Hot Springs Arkansas.

The Mile is a grass roots organization dedicated to one common goal (the preservation of our freedom as motorcyclists). The seminars there are very informative with the goal of the MILE (Motorcyclists Improving Legislative Effectiveness).

I attended the American Motorcycle Association workshop by Michael Sayer who is the only motorcyclist sitting on the Motorcycle Advisory Council.

The AMA and the MRF both are monitoring the self-drive technology, the EPA challenges and Ethanol Issues and their relationship to motorcycles and motorcyclists.

I attended the MRF workshop presented by Skee Dodson from Texas and Donnie Brown from Louisiana on more issues pertaining to the motorcycle world and I always

try to attend Terry Lee Cooks presentation. Terry has served the AMA for over 22 years, a life member of Freedom of the Road Riders, and other motorcycle rights organizations. Terry always carries a wealth of information about motorcycle issues.

Each state brings a basket created by their members for the funding of these auctions help promote the next year's seminars. Our Kansas MILE basket was a Man Cave but we brought home a toilet. It was a blast. Next years MILE will be somewhere around Oklahoma City, OK.

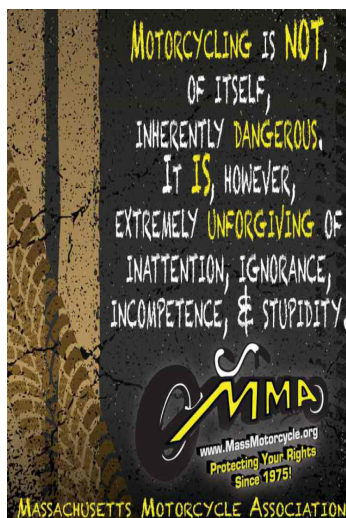

I talked to our ABATE Lobbyist Steve Christenberry. Senator Hensley has agreed to sponsor Bikers Under the Dome on February 13, 2018 in Topeka.

You can contact Steve about any legislative concerns or if you have any contact with our Legislators. It is a help to have someone there who has a personal relationship with them.

If you have never attended Bikers Under the Dome, this is your chance to get your feet wet.

Stay safe out there. Remember to look twice save a life the life you save will probably be your own.

PROMOTING AWARENESS OF
ABATE OF KANSAS, INC

WHERE IN KANSAS

Ellinwood-The Wolf Hotel
was built in 1894 by John Wolf

At one time the underground
ran for two blocks on both
sides of the downtown area.

You could enter on one side
cross the street underground
and come up in another store.

During prohibition there were
11 open saloons operating
underground. Today you

can view an old barber shop
complete with bullet holes in
the wall from past arguments,
a bath house, livery stable and
more.

Thank you to Leon Hahn,
Donna Stillwagon and Mona
Carver for your correct answers.

Donna I enjoyed your email
and hope to visit soon.

Completed in 1904, the three story 16 room Mansion was built
at a cost of \$125,000. It was far ahead of its time and had features
like an alarm system, elevator, and a walk-in ice box.

What town am I in? What's my name? Send your answers to
