On November 1st, 2020, District 5 monthly meeting started at noon at Red Eye. There were many in attendance.

We led the meeting with the Pledge of Allegiance and silence for our fallen brothers.

Tony read the state meeting report and the legislative report. Geoff read the treasurer's

report and the minutes were waived.

The End of the Year Party will be at Red Eye and the State meeting at the Moose. We will need people to bring snacks and finger foods and there will be an open jukebox due to not able to have bands inside yet and games. We will also be doing the party in a cooler ticket for the giveaway at the End of the Year Party. Please bring donations for Party in a cooler and

also for a silent auction.

The next meeting is December 5th at Red Eye we will be counting the votes for Rep, Secretary, and Sgt of Arms.

We purchased a game trailer which is much bigger and should last us a long time.

There were many new ideas brought to the table for events to get ABATE in the public eye. We will think further on these ideas and talk about them in upcoming meetings.

Always remember, other motorcyclists, family, interested people, are always welcome. As you can see our District is growing rapidly. If you know someone that would like to join, you can contact anyone on the board for the membership forms or bring them to our next meeting.

Old Business:

Toy drive barrels have been placed at their locations this week. There has already been some success collecting toys with the barrel where we had our meeting being full.

The Shiloh House has been contacted and replied about a list of what may help the most from those they help. We will be looking at the list to see what we can do.

Thanksgiving families have been chosen and a motion was made to donate an amount to the two different families.

Christmas families in need will be decided next meeting. Everyone is encouraged to come up with those we can help that are in need.

The District 12 scholarship was discussed and decided that we do our donation around July to keep the confusion to a minimum as to whether we donated or not.

New Business:

MRF membership for our district needs to be renewed and we will continue as we do each year with renewing our membership.

Congratulations to a new member for joining and a past member renewing their membership that had expired.

Don discussed the Bike Show and most everyone agreed that an inside bike show like we have done in the past is not likely possible with recent events involving COVID-19. An idea was brought up by Don to move it to an outdoor possibly in July and also the possibility of having a State event involving a biker rodeo. We will be looking at this possibility to see if we can go that route and discuss it more next meeting.

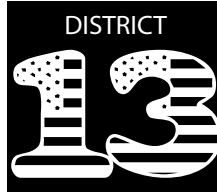

Christmas Party was brought up with having dinner as we have in the past. This will also be brought up again next meeting.

Other Items:

One of our sponsors was hurt badly and they were thankful for us sending them a card. The sponsor is doing better but still has a long road ahead with the recovery.

The next meeting is currently scheduled for the VFW on Dec 13th at 1 pm.

Meeting adjourned at 2:00 pm.

1991-2012 Total Motorcyclists Deer Crash Deaths

57
6% of total rider deaths during those years

Fatalities resulting from a collision with a deer are an emerging trend within the last decade. During 2002-2012, 48 motorcyclists have been killed in a crash with a deer, nearly five times more than the 10 deaths between 1991-2001. 2013 is on pace to be the deadliest year with rider deer crashes.

Habitat and range

White-tailed deer live in prairies, forests, swamps, wood lots and agricultural fields. They are common in both suburban and rural areas. Deer become a traffic hazard when crossing highways.

Reproduction

White-tailed deer mate from November to early December. Their young (often two fawns, weighing eight pounds each) are born seven months later. During the mating season, male deer (bucks) travel widely in search of females (does). It is at this time they become a real hazard on roadways.

Safety Tips:

Deer are unpredictable. It is important for riders to be alert and focused on riding. Also wear full protective gear, including a DOT-approved helmet.

When encountering an animal slow down and use both brakes to stop. If a larger animal, like a deer, jumps out in front of you, use emergency braking (applying both front and rear brakes) to stop as quickly as possible. If you are unable to stop in time and/or contact is imminent after maximum braking, and you have room in the lane, release the brakes and attempt to swerve slowly behind the animal.

Rider training is an affordable, potentially life-saving option. Training is important for beginning, as well as experienced riders, to sharpen skills and improve crash-avoidance techniques.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District

20 which is mostly out-of-state members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

Our Deepest Condolences

As of election day, the MRF has 139 co-sponsors on House Resolution 255, the Motorcycle Profiling Resolution.

As of the 36th Annual Meeting of the Minds Conference in Indianapolis Indiana, the MRF will be monitoring the Autonomous Vehicle Technology. The Department of Transportation is to conduct a safety study on autonomous vehicles. Motorcycles must be one of the data points the study accounts for. Motorcycle groups will be included in policy groups on autonomous vehicles.

The Motorcycle Advisory Council would be reestablished for another 6 years with dedicated seats for two motorcycle rights groups and a motorcycle manufacturer.

Motorcycle safety funds increased by almost 35% at the state level. In addition to retaining the prohibition of funding motorcycle only checkpoints an amendment was passed to prohibit using federal funds to "profile and stop motorcycle operators using as a factor the apparel they wear or their mode of transportation."

OUR MISSION:

Help promote motorcycle education and awareness.

Please donate, we are a 501C3 Corporation. Your donation is tax deductible. To donate go to our web-site listed at the bottom.

Racial profiling. States were eligible to track the race and ethnicity of individuals stopped by police during traffic stops. The MRF added via the amendment, mode of transportation as some thing's states would have to collect. This will help confirm the belief that motorcyclists are being stopped disproportionately to our numbers.

With the COVID epidemic increasing daily, try to practice that 70 mile an hour social distancing more often and remember to look twice save a life the life you save will probably be your own.
