A.B.A.T.E. LAWYER REFERRAL SERVICE

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden or Tammy Ward-Railsback.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.

Freedom of the Ride
June 2021

Now that the Covid - 19 virus seems to finally be subsiding, ABATE events are starting to fire up across the state.

In April we had the chance to attend the District 12 bike show and after party in Emporia. I had a great time checking out the bikes and catching up with old friends and making a few new ones.

The first weekend in May District 3 had their Bike Show & Rally in Girard. The event featured bike games, a sled pull, and drags with many participants. There were also several vendors. Both Friday and Saturday night were rocking with great bands. I think the most fun though was watching the younger attendees riding around the campgrounds on small motorcycles and minibikes. As I watched I couldn't help but smiling while thinking to myself: there goes ABATE's future riding by.

I also want to mention District 4's bowling tournament

in Topeka, District 11's Mother's Day Bike Show in Atchison and District 5's Awareness day. I wasn't able to attend these due to prior commitments, but

I'm told everyone had a great time.

Hopefully next year!

Several Districts are having events in June and you can find the details in the newsletter. As you can see these events are a lot of fun so get out there and support all the districts! Better yet, when you attend bring some friends and get them interested in ABATE.

In closing, this past Memorial Day made me think of our lost brothers and sisters that have passed on.

Memories of times gone by. Remembering the ones that started our great organization, I am thankful to

them for all they accomplished. They built the foundation that has carried us through over forty years of fighting for our rights to ride. Now we have an obligation to build upon that foundation and hand off an even stronger organization to the next generation.

Lobbyist Report

As your state lobbyist for ABATE of Kansas the month of late April and early May have been extremely busy for our state legislature. There has been no unexpected motorcycle related legislation on a positive note or a negative note.

We are now in possession of the proclamation signed by Governor Kelly. It looks good except the very last sentence has the word April instead of May. I am sure it was a typo. I am in the process of trying to change it and new proclamation with May in the wording. (May Is Motorcycle Awareness Month). The photo op with the governor is off at this point due to covid. I am going to try one more time when I try and get the proclamation changed.

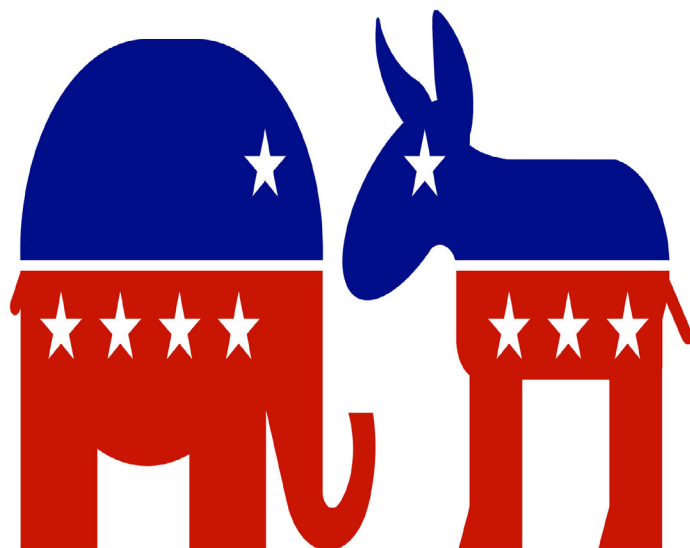

In late March Kansas Republican Convention was held in Manhattan Ks. Myself, Tammy, Byron, Lori, Bill, Sis attended the event. The convention center at The Hilton Garden was well attended by Kansas and Federal Legislators and their aides. Also in attendance were candidates for the upcoming 2022 election. We all went are separate ways and had good conversations with many of them. Many were aware of what ABATE is, what we stand for and many who did not were eager to learn about us. I also spoke at length with Senator Kloos about our proposed Profiling Legislation, we have plans to meet this summer after this years legislative session was over. At that point we will make a game plan to move profiling

legislation forward and meet again before next years session to do any refinement and or leg work.

As usual I will try to watch legislation on a daily basis and

stay on top of what is going on good, bad, and ugly.

RESPECTFULLY
Tony Railsback

Motorcycle Awareness Report

May is Motorcycle Awareness Month, so I hope each one of us is doing our part to educate others.

Making it personal increases the likelihood that drivers will be more aware of motorcyclists. The next State Motorcycle Safety Committee hosted by the KTSRO (www.ktsro.org) will be held on June 15, so no report from that group beyond what

was reported in my April report.

Look for Motorcycle Awareness PSA's and billboards, as those were agreed upon at the last meeting. Thank you, Governor Kelly for signing a proclamation of May as Motorcycle Awareness Month.

Ride Safe and Aware,
Steve Christenberry

We had a discussion about our Labor Day Rally Schedule

Old news, Don't know which factor caused this; bad weather right before, lack of interest in the Bike Show.

Now the question arises do we continue with the Bike Show or not? This will be something to discuss in the near future.

New business Porker Run, again we are doing it this year for the Phillips County Rural Fire Department. If you would like a T-Shirt before the run contact Gary or Peggy Littrell, Bear, or Terry Gitchel. For the first time in 37 Years we have had to make a price increase in the shirt for any size.

We will be taking orders the day of the run also. Needs workers for the stops, Bear said he will do one of the stops.

June meeting is at the Pizza Hut in Osborne, Ks 918 N. Second Street at 4:00. July Meeting is at Littrell's house 852 6th street Phillipsburg, Ks at 4:00.

Thank You Bear for taking minutes for me so I could attend my Grandson Graduation.

Thanks Cowboy Junction in Hill City for hosting our

meeting.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

On April 19, 2021, the MRF sent a letter to the Environmental Protection Agency on the E15 Fuel Dispenser Labeling and Compatibility with Underground Storage Tanks.

On behalf of over 250,000 street motorcyclists in the United States, the growing prevalence of E15 fuels is of concern to a diverse group of consumers. The fuel blend is problematic for engines and equipment in a wide variety of products including motorcycles, boats, lawn mowers, chainsaws and snowmobiles. In fact, these higher blends are prohibited by the EPA for use in small displacement engines such as those listed above. Unfortunately most consumers are not aware that these fuel blends may be causing damage

to their product. A recent survey conducted by the Harris Poll found that over three in five consumers are unaware ethanol blends shouldn't be used in all vehicles. In an effort to educate consumers and reduce misfueling at the pump, guidelines were put into place requiring labels on pumps that dispensed E15. For nearly a decade a label has been required so consumers understand the appropriate and lawful use of E15. The federal government has led the way on protecting and educating consumers. However, this proposed rule with a reduction in size and scope of the current label or the elimination of it altogether would be a step backwards.

In fact, just this year the state of Indiana passed S.B. 303 that requires an

additional warning label on E15 dispensing pumps. It is eye opening that an ethanol rich state like Indiana recognizes the need to educate consumers on E15. The federal government has led the way on this topic and states are following suit.

"We at the MRF are strong believers in the free market. However, in a free market the consumer must have the proper information about a product to make an informed decision for themselves. A warning label that is prominent and clearly visible to the user of a fuel dispenser creates a more educated consumer. In 2011, when the EPA first created the label requirement, the EPA understood this. Nothing has changed in the decade since.

Therefore, we respectfully ask that neither the proposed

modification or elimination of the current E15 label be acted upon by the EPA. Removing or modifying this label would unnecessarily create confusion and would harm American consumers." Kirk Willard, President Chairman of the Board, Motorcycle Riders Foundation.

On April 30, 2021, champions of the motorcycling community in the House of Representatives introduced a resolution addressing motorcycle profiling. The resolution H. Res. 366 has three key points.

(1) promoting increased public awareness and communication with the motorcycle community and law enforcement to engage in efforts to end motorcycle profiling; and
(2) encouraging

collaboration and communication with the motorcycle community and law enforcement to engage in efforts to end motorcycle profiling; and

(3) urging State law enforcement officials to include statements condemning motorcyclist profiling in written policies and training materials.

Congressman Tim Walberg, Congressman Michael Burgess, Congresswoman Cheri Bustos, and Congressman Mark Pocan introduced this bi-partisan resolution in the House of Representatives.

During the 116th Congress, a record 138 Representatives Co-sponsored a similar resolution to the one introduced

but it failed to reach the House floor for a vote. This came after the United States Senate unanimously passed a related resolution in 2018.

With the U.S. Senate on record on the topic and state capitals around the Nation taking action it is imperative the House of Representatives follow suit and pass H. Res. 366.

There have been an alarming number of motorcycle fatalities in this area this year so be very careful. Remember to look twice save a life the life you save will probably be your own.
