A.B.A.T.E. LAWYER REFERRAL SERVICE

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members’ policies at no cost.

To refer an injury claim, please contact Lori Harden or Tammy Ward-Railsback.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.

Lobbyist Report

Lobbyist Report May 2022

By the time you read this article, the Kansas legislature is finishing up the 2022 session. The legislation they are wrapping up does not pertain to motorcyclist's.

In early April I filled out the paperwork for the governor's office of Laura Kelly to proclaim May 2022 as Motorcycle Awareness Month statewide for Kansas. The application was approved. Several of us went to the state capitol for the signing of the proclamation and a photo shoot with Governor Laura Kelly. The day was a great time and there was a lot of good PR to go along.

Myself and Scott Marshall owner of Salty Cycles went to the City of Hutchinson and got the Mayor and City council of Hutchinson KS. also to proclaim May 2022 as Motorcycle Awareness Month. I encourage you all to do the same in your cities.

On May 14th. Tammy,

Bill Cooper and myself will be leaving for the MRF's Bikers in the Beltway. This is an event where motorcyclist's from all over the United States come together to the Federal Capital and talk to federal legislators from our state. We have scheduled appointments with all of our US Representatives. Our goal is to voice our concerns about motorcycle related issues.

I would like to Thank ABATE of Kansas and Districts 1, 3, 4, 5, 8, 9 and 10 for all of their financial support to make this trip possible. I and a few others have also sold raffle tickets for 2 guns, a Glock 43 and a Smith & Wesson MP15/22 AR. to help pay for this trip.

As always I will continue to watch legislation at all levels on a daily basis.

A.B.A.T.E. of Kansas District 3 Meeting Minutes 5-8-22

JR Watts called meeting in session and there was 32 members in attendance.

The meeting was lead with a Pledge of Allegiance and a Moment of Silence.

There was no County Rep roll call. JR asked for a motion to refer to newsletter for last month minutes and State meeting report and all were in favor.

Everyone agreed to make it a short and quick meeting due to the long weekend.

Kitty shared the gross numbers from the Bike Show and we had a GREAT EVENT!

JR stated that all the vendors would return and he only heard of 1 issue. We had discussed making sure next year it is not scheduled on Mothers Day weekend and all were in favor. Jaycee shared that there was a photographer out and if her pictures were of good quality maybe the district would donate to her for the pictures. All were

in favor. The main discussion was appreciation around the room. Everyone worked very hard and through the rain and changes made to keep it going it went pretty smooth. There were many people who said they would be coming back and bringing friends next year. We had 52 entries in the Bike Show and had some really nice bikes we have never seen before. Donovan stated that he was proud and looked to everyone more as family and grateful to be a part of the group. We had 1 new member attend. Sherry Beard said it was nice to see more little kids enter into the games this year. JR will start planning next year immediately and thanked everyone for their time. Thank you Doyle with District 11, Tony Rawls with District 5, Jethro, Marlin Tammy Railsback, all of our Sponsors and most of all Thank everyone that came. See you next year. This is a little different. The newsletter report is being submitted before the meeting even happens.

The meeting for the district was held on May 15, which is the third Sunday. It got moved because on the day we installed three motorcycle awareness signs. We then held the meeting at Pooches in Smith Center.

The main topic would probably have been our 38th Annual Porker Run. It will be held on June 18th. It will start in Paradise at the Methodist Church. It will finally end at Burgers and Beers in Plainville.

The funds raised will go to help those affected by the large Paradise fire.

Have you noticed how this is going to work? Start in Paradise

at a church and end somewhere they sell beer. Sounds like a plan to me.

I'm figuring we would have also discussed the Run for The Wall. On May 22nd it stopped in Bunker Hill, Kansas at the Bearhouse. No not my house the truck stop.

Hopefully enough money will have been raised to pay the fuel bill.

The June meeting will be held on the 12th in Bogue. It will be at Rick Johnson's at 807 Meadowlark. Now Bogue isn't so big you can't find it.

I know this is a little different but at least you have an update.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

WHAT IN THE KANSAS?

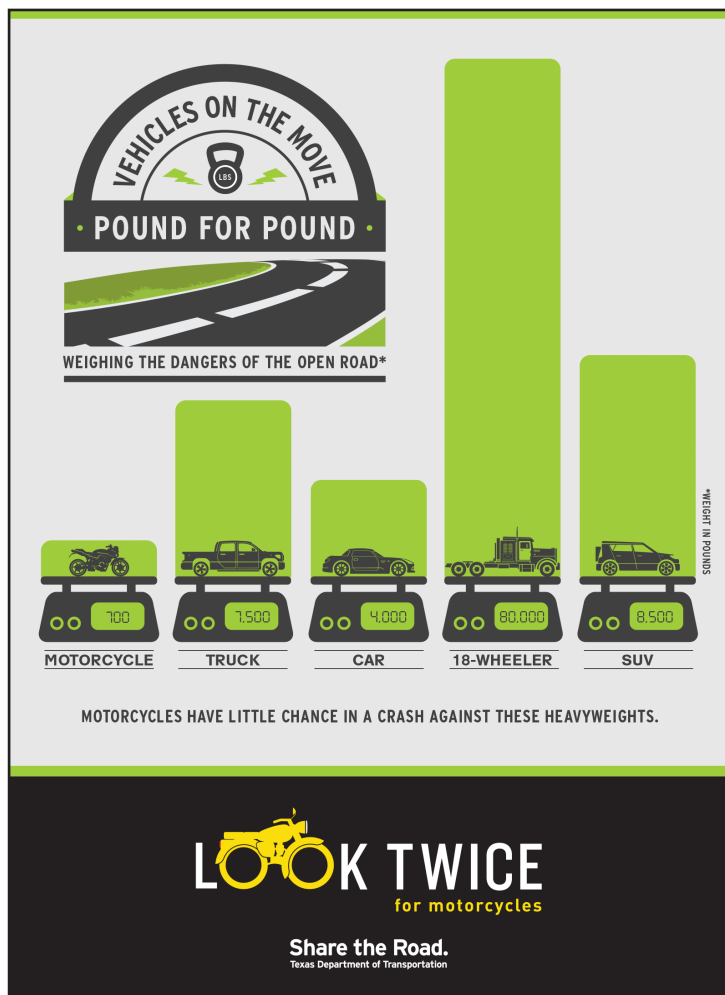

The Smithalo

Longford, Kansas

In an obscure patch of NE Kansas, Ray Omar Smith built his 60-ton monument to the American buffalo.

Also built, a 45-foot concrete map of the United States and Canada with rocks from every state and province. And a 200-foot wall of an unusual sandstone. And a 2,500-pound concrete Christmas tree that lights up and rotates on a wagon wheel.

Of the idea for his buffalo monument (The Smithalo), built to honor the buffalo's place in American history, Ray said it, "Was like a wart on your hand. If you don't do something about it, it will keep on growing." It can be seen for miles on top of a hill on Ray's property.

- CONCORDIA, AT 140 FEET LONG, The Whole Wall Mural in Concordia, Kansas, is the longest sculpted brick mural in the United States. The three-dimensional mural covers the entire east wall of the Cloud County Museum Annex and Concordia Travel Information Center/Cloud County Tourism office. It's the product of a community project, with all 6,400 bricks donated, flash-fired, and transported by local brick plant Cloud Ceramics.

of Cloud County. It includes a train, plane, windmill, wheat, sunflowers- the Kansas State flower- and lots of people who are important to the area's history. Visitors can learn more about the significance of all the mural's details in the Cloud County Museum. It also features "easter eggs" such as a lady bug and mouse which provide fun for all to hunt down in the intricate piece of art.

The mural depicts the history
