A.B.A.T.E. LAWYER REFERRAL SERVICE

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden or Tammy Ward-Railsback.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.

FREEDOM OF THE RIDE

We must build up the next generation of ABATE if we are going to ensure the long-term protection of the rights of motorcyclists. To that end I have heard for many years ABATE of Kansas should have a family friendly event to expose Kansans of all ages to our organization and ideals. We have taken a giant step forward in this direction with our new event "Flint Hills Motorcycle Mayhem" July 9-11, 2021 at the

Flint Hills Rodeo Grounds in Strong City Ks.

This will be an event appropriate for all ages with several different motorcycle related activities including a bike show, Sled Pull, Bike games, dirt drags, & possibly a burnout pit. There will also be games and activities for the kids.

Friday night Randy Beach & the Rockin' Blues will take the stage. Saturday night Craigzlist Killerz will be rockin' the grounds. Both bands

will perform 8-midnight.

There will be camping spots available, both RV and tent, as well as limited electric hookups for an additional charge. We are also excited to have several vendors including food and beverage.

We hope that you, your family, and friends will join us for this fun filled weekend. Our goal is to make the Flint Hills Motorcycle Mayhem an annual event where we can welcome motorcycle enthusiasts of all ages into our community but in order for that to happen, we need your help to make this first one a success.

Watch for more details in the newsletter, on the website and on social media. Please help spread the word on our new event.

In closing, I'd like to ask you to please renew your membership and sign up a friend or five. Don't forget we also have an incentive program, current members who sign up five members in a calendar year receive either a one-year membership or a pass to the Labor Day Rally. Help our membership continue to climb!

Thank you for your continued support of ABATE of Kansas

Lobbyist Report

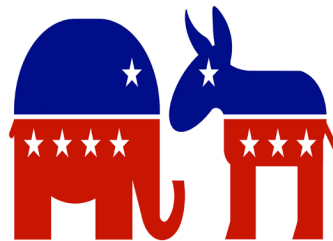

As your state lobbyist for ABATE OF Kansas The month of late March and early April have been pretty slow as far as motorcycling issues and positives. The legislature is trying to still play catch up from Covid 2020. HB 2337 Vulnerable Road User is still setting idle. Our profiling bill is still in the revisor stage. Senator Clacy's who was going to sponsor the bill, has has gone cold on us. I have tried to make contact with him on multiple occasions. I am in the process of trying to work with Senator Kloos, as he has expressed interest in it. SB 25 Hands free bill has also not gone anywhere. It was sponsored and supported by Senator Peterson. Senator Peterson is currently the head of Senate Transportation committee.

The application has been approved by the governors office and we have the proclamation stating that May 2021 is Motorcycle Awareness Month.

I am also trying to see if we can schedule a photo opportunity with the governor.

As usual I try and watch legislation on a daily basis to stay on top with what is going on good, bad or ugly.

RESPECTFULLY
Tony Railsback

Motorcycle Awareness Report

The State Motorcycle Safety Committee hosted by the KTSRO (www.ktsro.org) met virtually in March, after the April ABATE newsletter deadline had passed so this information will be in the May newsletter.

Kansas DMV provided the following information as of 1-20-21 – 43,519 licensed motorcycle operators, 258,345 registered motorcycles in Kansas. While at first glance this might appear strange, it is not when one realizes that many riders have multiple motorcycles.

We discussed targets for annual discretionary DOT funds that we have used for awareness activities such as PSAs and the well known “eyeball” signs. I learned that federal rules have changed about that funding and it can no longer be used for “giveaways” like the eyeball signs. That means if the committee, or ABATE, wishes to have more made we’ll have to find an alternate funding

source.

We will be doing billboards and PSAs again this year. Facebook ads have been proven to be inexpensive, and they can target specific audiences, so they will be relied on heavily this year. Normally KTSRO staff would have a booth at 2 or 3 of the major motorcycle shows, but since it appears there won’t be any this year that is off the table.

The \$50 rebate to people who take a rider education course at an approved site will continue this year. The goal is to encourage people to be trained and get their endorsement. Riders without an “M” endorsement are involved in more crashes and fatalities than riders with an endorsement.

May is Motorcycle Awareness Month, so please do all you can to spread the word that we are out there.

In Chris' absence, RC called the meeting to order at 1:16 PM. There were 9 members present. The Pledge of Allegiance was cited, followed by a moment of silence for lost brothers and sisters, our military and first responders. Secretary Report: March 14 meeting minutes: Frank moved to waive the reading, Debbie seconded, approved.

Treasurer Report: Karen provided the report on the balance in the checking account, and there is no change in the RFTW account. Moved and approved to accept as reported.

State Meeting Report: The April meeting was in Emporia. Chris was not here but provided a brief handwritten report.

The Flint Hills Motorcycle Mayhem is a go. The trees at the rally site are being trimmed. Districts can send as many members as they want to the Mid-South MILE in Dallas. Hotel and banquet fees are up to each individual.

AMA/MRF: Please read the MRF report in the newsletter. Please consider joining the MRF, and the AMA. They are our advocates in the nation's capitol. An application for MRF membership is in the ABATE newsletter, and you can join the American Motorcyclists Association at www.AmericanMotorcyclist.com.

Old Business: Tots for Tots: We received a letter from the National T4T thanking us for our support. It included a receipt from the cash donations we obtained for the local T4T

program.

D4 Products person: The District still needs someone to take over this role. We also need to inventory rockers and patches.

Elections: Ballots are in the newsletter

Flags: The D4 flags were inventoried. Steve brought a list of flag companies and prices.

Weneed:

- US Flag On 7' pole is frayed, needs replaced.
- POW/MIA on water pipe pole is trashed, needs replaced.

RC delivered the D4 and the Kansas flags to be repaired (holes in each one).

Good Flags that we have:

- US flag on 5' wood pole
- Marine Corps flag on 5' wood pole

We need to make sure riders have mounts for them on bikes before events. Frank has a US flag on a broken pole. He will check the flag to see if it is still in good condition.

Paul has an ABATE of Kansas flag he can donate. There was discussion about single or double sided military flags, and the consensus was to get double sided ones. Perry said he has an Army flag that he would donate, so we only need 4 flags, Navy, Air force, Coast Guard, and POW/MIA. Paul moved to allow Steve to purchase these flags. We'll need to get poles in order to mount the flags.

New Business: RC brought up the idea of doing fundraisers for the District. One idea was to obtain a custom firepit from E and K Metal in Emporia. Paul noted that we used to have

garage sales for fundraisers. Debbie brought up the idea again about doing the Freaker's Ball again. Debbie will see if she can get some figures from them as to the cost of the venue. After more discussion Paul moved that we let the Board make a decision to go ahead with the firepit up to the spending limit. Debbie seconded, approved. We will have tickets through the rally weekend and give it away right after the event.

ABATE of Kansas District 10 Meeting was on April 4, 2021 at American Legion in Garden City. The meeting was started at Noon by John M District Rep. There were 4 board members and 9 members in attendance.

First thing we discussed was Stormy was unable to get on the bank account so we were going to go down on Monday and get it opened with just John M District Rep and Wendy C Treasurer as the signers we will just have 2 people sign instead of 3. The group all agreed this is how it should be done.

The next thing that was brought up was filling our Member at Large position. We elected to make Rick C Member at Large. Kelly motioned it and John 3rd Seconded it.

Everyone was in favor. We also decided on a Road Captain we elected to make Terry D Road Captain. Rick motioned it and Kelly Seconded it and all was in favor. Next we discussed the information from state meetings. We discussed as soon as our account was open to get a check to the state for the Mid-South Mile. We also discussed the Drag Queen race in July at Emporia still in discussion who will participate from our district.

Mark brought up our Highway Clean-up asked if we were going to continue to do this. We all discussed it and decided we are going to continue this and we decide that we will meet at the Plymell school at 9:30-10:00 on June

6th and do the highway clean-up and then meet back at American Legion at Noon for the District meeting.

The next new business brought up was putting on a Bike Show in Garden City on June 19. We discussed it and every one is in favor. Wendy mentioned that we have a vendor for food arranged already and John said if anyone knows anyone else who is interested in selling stuff let us know. Also discussed shirts Terry's daughter makes shirts so we are going to compare prices and see where we can get them. Discussed the entry for bike show and entry for pipe run. John said we could do it at American Legion and we also discussed using Big John as our dj that day. We discussed every one work on getting sponsors for the bike show and we discussed the route. Hopefully we will have more information at the next meeting. John 3rd asked about flyers and Wendy said she would work on getting those done.

Next we discussed the events

we would like to try to do this year. We want to do Toys for Tikes and will do that the week before Christmas. Our ride will be Sept 19, 2021 for that with the entry fee. With more discussion to come on this later.

We also discussed Christmas at Pershing Manor and a Turkey Giveaway with more information on this later to come.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.
