Another Labor Day Rally has come and gone and I'm happy to report it was a great success. A lot of things contributed to that success including the great weather, a large turnout, an awesome new location for the stage with great bands, games, races, bike show and vendors showing off their new location. But as always the biggest highlight was the attendees themselves. It was great to get together with so many friends, some who see each other all the time and some who may only see each other

every Labor Day weekend.

You may have noticed the cover of this month's newsletter presented the "President's Award" to everyone that made the Labor Day reconfiguration a reality. I have asked this to be there because there were so many that helped make the Labor Day Rally reconfiguration happen. It took an army to pull off all the electrical improvements and to bring in and work with all the skid loaders, tractors, blades, trucks and trailers. We also can't forget our sponsors who gave us the

financial resources to pull this off.

Finally, I would like to thank all our volunteers who made the rally so successful. We couldn't put on an event of this size without our ABATE members who volunteer all their time and talents to work before, during and after the rally. I give each and every one of you a sincere Thank You!

In closing I'd like to quickly mention that the ABATE state board elections are this month. There will be elections for President,

Recording Secretary, and Sgt at Arms. With the encouragement of many of you, I've decided to seek another term as President. I'm proud of the work we've done together over the past few years and I look forward to building on it. I would appreciate your vote.

Thank you all again.

Meeting began at Bert's in Yates Center about 11:20am with the pledge and county rep roll call. Arlene gave the secretary's report. Jr motioned to accept the secretary report and Windy second. Sam gave the financial report. It was mentioned dissolving the PayPal account and making it into the Downed Biker's Fund account of its own. Windy motioned to accept the dissolution. Jr mentioned the fact that we used that for pre registration on camping and the fact that we are trying to go more electronic. Windy removed the motion to dissolve the PayPal account. Dale motioned to accept the treasurer's report and windy second. All approved. Jamon gave the state report. State wants to go back to the roots camping at the old military trail. It is in the works for early June. Donations and price of tickets can be put in the newsletter. There was some discussion regarding the MRF and mention of the Mid-South mile coming up. Then there was some talk about LDR.

Old Business—Toy run flyer went around for approval and we really need to push selling these gun safe raffles. Parking sucks where we are at. We will have everyone begin at the oval and then end at the Stitch Building. Jr made the motion to do a potluck chili meal, Curtis second, and all agreed. The American Legion will do biscuits and gravy for breakfast. Gift card raffle was discussed and we would rather do the

50/50 because of the current gun safe raffle. Speed made the motion for this and JR second. The toy run flyer went to vote and it passed unanimously. As for the shirts, gray was voted for the color of shirt and there was discussion about the amount of shirts to order. JR made the motion that there be preorders for the district and then 5 shirts of each size for the toy run in sizes youth larges-3x. Speed motioned opening the preorders, but pick-up will be at the actual toy run. Windy second the motion and it passed.

Bike Show Kid Event flyer was passed around and the revised version of the actual Bike Show and Rally flyer was looked at. Jr motioned to accept the flyer and Windy second. Motion passed. JR asked that the CMA help run the gates this year. Insurance outcomes will be a huge factor in how we move forward. We need to do a heavy push on sponsorship so that we can raise the money that we will need to cover our insurance issues. Music agreement has been received to move forward with setting the bands. They need us to execute the contract, but we need to budget. JR made the motion that we set the budget for the overall rally. There was some discussion about vendors and kid friendly vendors and where to put them. Windy second the motion. There was approval as well as some opposition. The discussion was about how much we have raised the budget and what it would be used for.

Ride Straight - Ride Safe

Motion passed. Back to the kids event flyer, it was voted on and passed.

We were invited to do Trunk-or-Treat for Independence. We want a couple of people to bring bikes and trailers to go to this. The Neewolah parade line-up is at ten but we will meet at Egberts at between seven and eight. The Chamber also asked if we would ride in the Veteran's Day parade on November 9th at 2pm if we could ride in that. Wilson County toy run, Pittsburg's toy run, and Cherryvale's toy run are all on November 2nd. The Coffeyville toy run is the 23rd of November.

Sam talked about Windy's daughter having some health issues. Is there anything we

want to do to help? Bring whatever ideas that you have to the next meeting in Erie at 1pm. Jamon is also battling some health issues. We have really started talking about needing to take care of our own. The American Legion has started a fundraiser for Jamon. JR made the motion to run the full page ad of the event flyer for our newsletter for the November 16th Chili benefit. Dale second the motion and all agreed. After the last meeting there was a fender bender. Linda broke her pelvis in the incident. Jr made the motion that we give money from the Downed Biker's Fund for Linda and Dustin. Windy second the motion and all agreed. JR made a motion that we also send a \$40 flower

arrangement and card to Dwight's memorial and Speed second that. All agreed.

Election nominations for this year are Vice Rep. with Jamon and Jr on on the ballot, Treasurer with Sam on the ballot, and Member at Large with Denny on the ballot.

Next meeting is at the Erie Legion at 1pm. Bret's Law will be there and there will

be some discussion as to what things look like for our members. Elections and next year's calendar will take place at the December meeting. Dale brought up the sponsor binder, and we are going to keep it as it is. Speed motioned to adjourn and JR second. All agreed. There was not a 50/50 raffle.

The meeting was called to order at 2:25 PM on 10/13/2024 at the VFW in Atchison, KS. with the Pledge of Allegiance and a moment of silence for all our fallen brothers and sisters. There were 10 members and 3 guests in attendance.

Secretary's Report: Rusty read the minutes from the September meeting. Angel motioned to accept – Robin seconded - all approved.

Treasurer's Report: Rusty read the checking account and savings account financial statements. Pop motioned to approve – Chop seconded - all approved.

Assistant Rep's Report: Keegan reached out to Liberty Gun Shop about a gun safe donation for our 2025 raffle and he reached out to TSC about

minibike donation for our raffle next year. Doyle is contacting the TSC district manager to work more on the minibike donation.

Atchison County Report: Chop talked about the upcoming Halloween Parade on October 26th. We will meet behind Mueller's Lockerroom at 12:30 PM. R&S Automotive will meet us there with the flatbed truck. Anyone that can should ride your bike if possible.

Leavenworth County Report: Ric is MIA. The Veterans Day parade was discussed because the meeting point was right where road construction is underway in Leavenworth, but contact was made with the city of Leavenworth stating that the construction should be completed prior to the parade date. Next

district meeting is the day before the parade so we will finalize details at the next meeting.

Doniphan County Report: Robin confirmed next month's planning meeting at the VFW in Wathena. The kitchen will be open that day from 3 PM - 5 PM. Today is the Navy's 249th birthday. Brown & Nemaha County Report: Jason had nothing to report.

Products Report: Lea was MIA.

State Report: Doyle attended the state meeting. Back to Our Roots Rally was discussed. There will be work weekends because it will take a lot of work to get the site usable. This was originally a 3-loop campground – 2 loops are somewhat accessible, but the 3rd loop will take more work to get ready. Keegan will talk to his dad about a skid loader with a tree cutting attachment to use for that cleanup effort. Discussed the 50th LDR gun raffle tickets. Doyle will get a bunch of tickets, and we will track all state raffle tickets provided like we do with our District raffles. Mentioned that the sign on the office building needs some maintenance. Discussion held on Lobbyist's proposal. Discussion was held on possibly raising gate fees and RV pad cost at the LDR. There was a bike/security golf cart incident at LDR that is now involving the respective insurance companies. Need to work on millings for next year's rally and improved lighting and some discussion on possible shower house changes. Attendance at LDR was shared. Discussion held on work passes. Shared current LDR site layout and proposed new site layout for 2025.

Old Business: Discussion

held about gift basket raffles for Mother's Day Bike Show in 2025 - possibly having one basket for females and one basket for males. Field Events for 2025: discussion held about bands. Pops motioned to hire Bogart at price quoted from the band for our Saturday night band – Sonya seconded – all approved. Dead City Rockers is being considered for the Friday night band – Doyle will reach out to get a price quote for this band. Discussed the details for the Rulo run that is scheduled for next weekend – October 19th. Doyle noted we needed to get insurance from Lori for this run – Rusty will take care of that.

New Business: Discussion held about looking at options to increase our PA output by adding more Thrash speakers. Rusty will be looking into handheld radio options as well and present at a future meeting. The city of Easton still needs to be paid for insurance cost for FE in 2024. Nominations were re-opened. No new nominations were made so the nominations are closed and will be submitted to the State to be included in the next newsletter. Leavenworth Toy Run will be on December 1st. Ruth mentioned that she needs details about attendance for the potential Chili Feed at the Leavenworth VA on December 15th, but this event has not been confirmed yet.

Pop motioned to close the meeting – Ruth seconded - meeting closed at 3:42 PM. The November monthly meeting is also the yearly planning meeting and will be held at 2:00 PM on 11/10/2024 at the VFW in Wathena, KS (located at 107 S. 4th St, Wathena, KS). ABATE of Kansas

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.
