A.B.A.T.E. LAWYER REFERRAL SERVICE

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden or Tammy Ward-Railsback.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.

Another Labor Day Rally has come and gone and I'm happy to announce it was a great success!

It was a combination of great weather, a big turnout, and an awesome stage with great bands, games, races, bike show, and vendors. But most of all the highlight was the attendees. As always there were a few glitches but they were handled without a hitch.

I would like to thank everyone that helped make this rally so successful. We couldn't put on an event of this size without all the ABATE members who volunteer their time and talents to prepare the rally grounds, work the rally itself, and clean up after.

I hope you were able to appreciate some of the many recent improvements to the rally grounds. In the past year we were able to trim back the trees from the road sides, install culverts for easier access to camp grounds and try new ideas to smooth the roads. We have more improvement plans we'll be working on before next year.

I want to give one final thank you to everyone who supported the 47th Annual Labor Day Rally. Attendance was up for this year but I'd like to issue a little challenge for next year. If everyone who attended this

year would bring one or more of their friends next year we'd make the 48th Annual Rally the biggest rally ever. We all know how great of a time the rally is, I'm sure we all have friends who would enjoy that same experience.

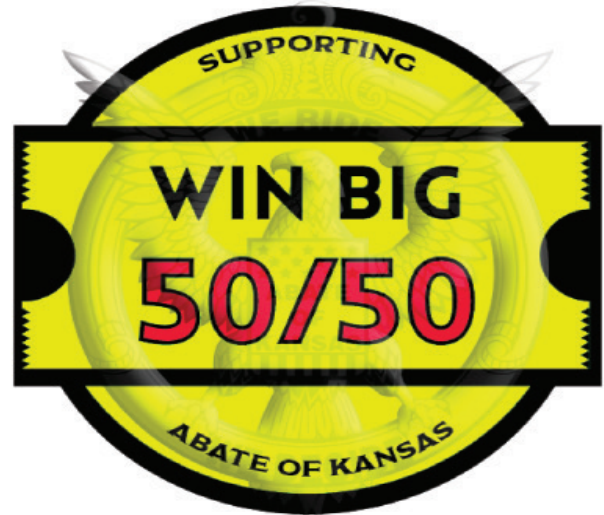

There's no time to rest as ABATE is already preparing for its next state event, the 30th Annual Mid-South M.I.L.E. The MILE is taking place this October 7-9 AT The Ramada by Wyndham in Topeka. This is an opportunity for our members to attend one of the best motorcycle seminars in the country. Come and learn how they handle motorcycle rights issues in other parts of the country and even in Europe. This is a unique opportunity to have such a wealth of knowledge in our own back yard. I hope members from all the districts will attend this event and take the information back to your district to help in our fight to protect our rights.

In closing, I'd like to say I hope to see you at the 30th Annual Mid-South MILE in Topeka later this year and next year at the 48th Annual ABATE of Kansas National Labor Day Rally 2023.

Motorcycle Riders Foundation

With our 47th National Labor Day Rally behind us, we are prepared for the 38th Annual Meeting Of The Minds Conference in Des Moines Iowa held by the Motorcycle Riders Foundation.

Last year T and T Railsback our corporate secretary and lobbyist attended the Meeting Of The Minds in Atlanta Georgia.

On our National Lobby Day in May, our team was able to get all of our legislators signed on House Resolution 366 the profiling resolution. At the conference, T and T became assistant reps for Kansas so now we can give a broader report on motorcycle issues. Tammy has set up a Facebook page so our riders can go on line for updates as they happen.

The Mid South Mile Conference will be held in Topeka on October 7th through the 9th, 2022. The MILE (motorcyclists improving

legislative effectiveness) is celebrating 30 years with seminars protecting the rights of street motorcyclists and informing them on all motorcycle issues. There will be representatives from Arkansas, Oklahoma, Texas, Louisiana, Missouri, and this year's MILE will be hosted by the state of Kansas.

For hotel reservations call 785-234-5400 at the Ramada Convention Center, 420 SE 6th Street, Topeka, KS, 66607. There will be a southern style dinner, a 50-50 raffle, live and silent auctions, and a hospitality room. For more information go to www.midsouthmile.org.

Hope to see you at one place or the other.

District Rep RC Harman

785-224-5063

Today is Patriot Day. RC called the meeting to order at 1:05 PM. There were 17 members present.

Secretary's Report: August 14th meeting minutes are in the newsletter.

Treasurer's Report: Our PO Box payment is due, and Jennifer wrote a check for it. Steve will deliver it. We paid for the state meeting meal at Ozawkie in August, and also purchased bar supplies. We are awaiting reimbursement from the state for the bar. As usual we took half of the tip money for our Christmas contribution to the VA. Motion made to accept the financial report, approved.

State Report: RC and Brandon were at the meeting yesterday. As usual after the Rally most of the discussion was about the results. There was discussion about the liquor purchases. There was a lot of work done on the maintenance side of things, installing culverts for better access to the fields for the campers, and putting asphalt millings on the road to fill the holes. The Districts were asked to discuss children and service dogs that were present at the event. Apparently there were kids under 18 there, and also dogs that were not on a leash. Paul noted that we do have rules in place about this, and they just need to be enforced.

MRF and AMA Report: Please read the MRF report in the newsletter. Join the

MRF and the AMA to support advocacy efforts in Washington.

Old Business: Labor Day Rally/Beverage Garden: Our members counted the tickets for beer and drink sales at this meeting. RC has taken the coolers to Stevensons for repair. One of them leaks, and they need larger casters to make them easier to move around.

We had a discussion about a request to quantify the value of the remaining slush machine and parts. We agreed on a price and it was moved and seconded.

Freaker's Ball: RC brought up the idea of using a modified draft of the original flier, and if we should ask Mark Toelkes if his band could play as they did at the very first event. Alvin will reach out to Mark to see if he is available. The plan is to have the event at The Woodshed on October 22nd.

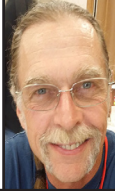

Mid-South MILE: Sis has asked RC about what D4 can do to help support her with food for the meal on Saturday. We can contact Resers to see if they will donate potato salad, beans, and coleslaw. RC also plans on doing pulled pork, and will check on getting buns from one of the bakeries.

New Business: RC suggested we have a meeting before the State meeting to compile a list of things we would like to present at the October State meeting.

Next D4 Meeting: October 9, 2022 at Papans Landing
Meeting adjourned at 2:45

Below you will find the minutes from District 5 August 2022 meeting.

On August 6th, 2022 District 5 monthly meeting started at 12:00 at Paradise Point in Ozawkie Kansas. We started with the Pledge of allegiance followed by a moment of silence for fallen brothers and sisters. There were many in attendance as this was also our work weekend. Thank you for all that have shown up before the rally to help it is greatly appreciated.

Celebration of life for Whiner (Donny) who was the District Rep and Assistant Rep for District 5 for many years. Shelter house 10 Wyandotte County Lake Sunday Sept 18th at 12-6pm. It would be very appreciated if people would bring side dishes.

We will have nominations for District Rep, Treasure and Sargent of Arms starting in July.

The next meeting will be held September 3rd at the Labor Day Rally grounds at Paradise point at Perry Lake before the bike games. We will need help with the bike games. District 5 will also have a party in a cooler so look for tickets at the game field. Drawing will be after the bike games.

We need to start planning the End of the Year party and State meeting that are in December.

There were many new ideas brought to the table for events to get ABATE in the public eye. We will think further on these ideas and talk about them in upcoming meetings.

Always remember, other motorcyclists, family, interested people, are always welcome. As you can see our District is growing rapidly. If you know someone that would like to join, you can contact anyone on the board for the membership forms or bring them to our next meeting.

by a moment of silence for our fallen brothers and sisters. The previous months' minutes were read by Brittany; all were in favor. Jennifer gave her treasurer report and it was also passed; all in favor. The state report was given by Glenna and this led directly into our old business.

The discussion of our upcoming toy run consisted of members viewing the toy applications, reviewing last month's discussion and confirming the application deadline. As well as reviewing the event details to be handled between now and then. We then discussed some of the planning details for our March meeting

and will continue to do so after our October 1st event.

Our new business was kicked off by Richard, our assistant rep, reading Thank You Letters we have received following our hospice run. We also began to generate ideas to continue to spread the word about our growing district in our local areas. We touched briefly on basket ideas for the Mid-South Mile.

This brought our meeting to a close. We did not do any drawings as we did not have tickets available this evening. Our next meeting will be held at 7pm on October 14th at Rod's house.

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

Ridin' with Roberta

I hope everyone's summer is going well. You did not see me at the Rally this year, I decided to do the "Go Fast Don't Die" run. The GFDD run was an Awesome experience. With 300 riders I met a lot of new friends ranging from Wisconsin, New York, Idaho, Utah, Colorado, and Canada. The self-guided ride started at Devil's tower for day 1 and ended in Sheridan WY where we set up camp. 2nd day we rode thru the big horn Mountains and ended in Cody Wy. 3rd day we rode thru Yellowstone and set up camp at Grand Teton Nation Park. Every night had food trucks,

bands, and bike games. It really was a Rally on the move. Thursday On the way there, I stopped in at Sturgis for a photo op, and stopped at several locations to pick up nation park passport stamps to earn my national park patch. The GFDD run is a ride I will do again. I got about 3000 miles on this trip and Ruby dropped her saddle bag. Ouch. Luckily just cosmetic damage. I have a few more rides planned before winter so stay tuned.
