Pledge of Allegiance

Moment of Silence

Roll Call- all present except District 7,10, & 13. Bear for District 2 & Lindsey for District 8.

Secretary report- a motion was made by Bill (2nd by Tony Robert's to wave reading the minutes. Motion passed by show of hands.

Financial report- Lori went over the packet. A motion was made by Barry (2nd by Doyle) to approve the financial report. Motion approved by show of hands.

Guest Speaker- Byron introduced our insurance agent, Kristy (Kellerman insurance) & Attorney Matt (Bretz Injury Law). Kristy went over how hard it is to get insurance coverage for some of our events & how important it is to have the insurance for the different activities at District & state events because ABATE of Kansas could be held responsible

not the district. Kristy asked for at least 90 days notice to try & get events & activities covered. If you have any suggestions for insurance companies please contact Lori so that she can contact them. Thank you Matt & Kristy for attending the meeting & answering our questions. Doyle introduced Jona, who spoke about the disrespect that her & others feel by allowing a vendor at the rally to sell an American Indian headdress. After discussing, a motion was made by Russell (2nd by Doyle) to not sell any headdress at the rally. Russell rescinded his motion. A motion was made RON V. (2nd by Dave) to talk with the vendor & ask him to not to sell the headdress but to leave the final decision up to the vendor. Motion passed with all board members voting yes. Thank you, Jona, for attending the meeting & teaching some of your culture.

Old Business- The discussion on District 10 changing state meeting months was tabled until next month as no one was present from District 10. Byron reminded everyone to help sell the 49th & 50th year rally raffle

tickets. Carly will sell them at the shower house. Byron asked that the district reps get feedback from their Districts if they would like to have an "old time biker rally" at old Military Trail in June 2025. District 3 left at 2pm for a prior obligation.

New Business - Lori went over the printer lease for the office. After discussing the option with Richard B, a motion was made by Doyle(2nd by Tony Roberts) to go with the new copier for the ABATE office & new lease per Richard's recommendation. Motion passed with all board members voting yes. Thank you Richard for working on the printers. Byron said that one person had been interested in being the C.O.C liaison for ABATE & appointed Tony Rawls Riley. There were no objections to reimbursing Tony for his gas to attend the meetings with a provided receipt. Byron opened up the elections for the state board positions for the final month. No new nominations for President or Secretary. Tony Roberts was nominated for Sgt at Arm but declined at this time. Nominations are closed & ballots will be in your newsletter. A motion was

made by Doyle (2nd by Bill) to make Kristy the sole ABATE of Kansas liability insurance agent. Motion approved with all board members

Lauren asked for permission to put ABATE of Kansas as a sponsor for Topeka Elite Cheer on their t-shirts as Wauneta's beverage garden is donating use of the slushie machine. Motion was made by Doyle (2nd by RC) to allow the ABATE of Kansas logo to be used as a sponsor for Topeka elite cheer. Motion passed with a show of hands.

Break 2:34pm -2:56pm

Labor Day Rally - Byron thanked everyone that has been out helping with the mowing, electrical, & millings. Special thank you to Roger & Doyle! The grounds are looking good & everyone is ready for the rally!

District Rep Larry Kibbee
785-623-0420

The August 11 meeting was held at Cowboy Junction in Hill City. There were 11 members present.

After the Pledge of Allegiance and a moment of silence for lost members, the meeting started.

The Secretary and Treasurer Reports were given and approved.

At the present time, we have no activities planned. This is partly because, for quite a while, we didn't have much member participation. Therefore, everything fell on the same small group of people.

There was quite a bit of discussion on different activities we could possibly do. No decision at this time, but the discussion has started.

This being said, our next District function is our Casino Night. This is held after the State Meeting in January. For those who haven't been to these, we explained how the day worked. Since the 2024 event was cancelled, we have a supply of "white elephant" items to raffle with the "funny money". Also, two items have been offered for the actual cash auction. More of this will be worked out at future meetings.

We also discussed membership. There are a lot of riders that don't realize what Abate is, what it does and the freedoms they enjoy due to that work. As riders, and district members, we talked about how we need to do better at getting this out. We are open to suggestions.

Due to circumstances, Gary and Peggy have stepped

down from their offices. Rick Johnson has volunteered to fill in as Assistant Rep until January. Lorie Hessler has been appointed as Assistant Secretary until next year's election.

Speaking of elections, this was the last month for this year's nominations. Our final nominations for this year are as follows, for assistant Rep, Rick Johnson. For Secretary, Shawn Wiltfong and Lauren Weinert (Bear). These will be listed in two months newsletters with the final election at the October meeting.

Now our meeting schedule. The September meeting will be at Cody Bredemeier's in Norton, 17162 Eagles Rd. East on Highway 36 to the Awareness sign. Turn south, headed towards town, to the first house on the left.

The October 13 meeting is scheduled to be in the Osborne area. Mark Roach couldn't make this meeting to give us the final location.

The November 10th meeting will be back at Cowboy Junction in Hill City. Go to 280 Road on the east side of town. When you see the sign, go north ¼ mile.

I hope this report has filled you in on what the District is doing. We are trying to get fired back up. All Abate Districts need to be ready in case someone presents legislation that affects us.

Until we meet again, ride SAFE!

The meeting started at 1 pm. 27 members were in attendance. Glen is stepping down as Labette County Rep. We still need a rep for Woodson and Elk Counties.

Arlene gave the secretary's report. Tada motioned to accept the minutes in the newsletter and Dale second the motion.

There was some discussion for the audit of our books and it has been very difficult to locate anyone. Sam and Russel will be going through the books and if anyone wants to join in, the better. He would like for this to be as transparent as possible. There was a motion made to give the little girl with cancer a check. Russel wants to put this on hold until we have a better handle on our finances. Chuck made the motion to accept tabling this and John second the motion. All agreed. Main Street Memories still needs their donation that we promised.

Sam gave the financial report. Chuck made the motion to accept the treasurer's report and Dale second the motion. All agreed.

Russel gave the state report. Someone wanted Lori to check and make sure that district board members need not live in the state of Kansas unless we accrue a liquor license. The insurance person will be at the August 17th meeting. If you want to attend, let Russel know because they need a headcount. Other states have been contacted to look into their insurance policies. There are only three insurance companies that cover motorcycle events. State Social Media accounts should have

all state board members access and the sitting president be the admin. It was recommended that the same happen at the district levels. We kind of like how we have it set up as of now, though.

Michael had brought up that there should be three people counting money at all times. There are some discrepancies as to how money was counted at our rally. Dale stated that he was working the front gate and CMA, Kitty, and Dale all counted and initialed. We are still having trouble finding records of each transaction. It was also asked that having our treasurer bonded and the state said that is an insurance thing and the state would be involved. Russel did some looking with a State Farm agent and we can have someone bonded for \$50 bucks. That covers us legally if anything should happen.

LDR work weekends have started. If you are interested, you can go up there and help out, that will help get you in with the early bird entry.

Right to repair act is getting a lot of push back by John Deere and New Holland. It will take a lot of people to rally this repair act.

Mid-South Mile is in Arkansas and it is the same weekend as Neewollah. Russel said it is a really good deal to go to and learn a lot. He was asked by the state that the district pays \$125 for anyone that wants to go from our district and that would cover our district. We would like for at least four people to go. It is the last weekend in October, but we need to know whether

people are interested in the next meeting because registration is in September.

Tammy will try to be here next month to help discuss the Meeting of the Minds. This is like the national and international level of the things that we deal with in ABATE. Chris motioned to accept the state report and Chuck second the motion.

Old Business-Gun Raffle tickets need to be sold. We will draw on the day of the Toy Run.

Chuck motioned to table an appreciation party until Girard next year because that way we'll be ready to take care of that the following month. Tada second that and all agreed.

There are 30 days left to submit any ideas for the rally flyer. JC brought up using the barns for the bike show like we did last year and the lighting is not good. He has done some research, but he will be asking for a budget for 10 lights to illuminate the barns a bit. Russel stated that he would like to hold on this until we know where we are in our finances.

We also need to focus on our donors and how people are donating. That way we know what money is going where. Sledge brought up the aspect of making plaques and we are working on that, but some companies have asked for no plaques. If anyone would like to be on the committees for the rally, please get with JR.

VFW in Independence has

asked that we help them with a donation toward the payment of the band that played, but as we are unaware of our finances, then we will table that until later. Chuck made the motion and Dale second that. Motion passed.

Papa Dave said that it is time again to donate to the Independence High school for our spot on their advertising. This is a time sensitive matter. Papa Dave made a motion to donate the money. Chris second the motion and all agreed.

New business-The Toy Run design shirts...Do we want to use an old design or get a new one. Dustin made the motion to find an old shirt and JC second. Russel will get the best of five and do a Facebook Poll.

Nominations are up for Member at Large, Vice Rep, and Treasurer. Dale nominated Denny for Member at Large and he accepted. Chris nominated Sam for treasurer and he accepted. Nominations will be up until next month's meeting as well. After that they will be in the newsletter for 60 days before elections in December.

50/50 was drawn and Dale won. Papa Dave motioned to adjourn the meeting Tada second the motion and all agreed.

The Band who played for Freedom Bash was well received. They have asked if they could come again.

New Business:

We discussed the flyer and Tshirt design we are waiting for approval from District 13.

Plans will be finalized at our Sept. meeting.

Our next meeting will be held on September 8th at 12 pm at the American Legion 405 S. Main Garden City KS.

Meeting was adjourned at 12:35 pm.

in the meantime, we could poll our members on Facebook to see which one would draw more interest.

Atchison County Report: Chop mentioned that he will confirm with the VFW in Atchison that we are good for the next monthly meeting there. He also reminded us that he will need a check next month for the Halloween candy for the Halloween parade.

Leavenworth County Report: Ric is MIA. We were supposed to send a check last month to the VA Domiciliary in honor of Sharon Eddy and that did not happen so we will need to follow-up on that.

Doniphan County Report: Robin was MIA.

Brown & Nemaha County Report: Jason had nothing to report this month.

Products Report: Lea mentioned that she will be ordering some hoodies and long sleeve shirts this fall, however they will be on a pre-pay basis only. We are stocked for the upcoming Labor Day Rally. She also mentioned that next year we will probably be going to more of a pre-order format as well so we can minimize the product expenses as well as minimize some product inventory.

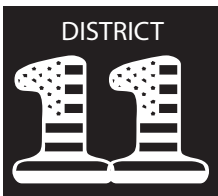

State Report: Doyle and Rusty both attended the state meeting. Most of the discussion was focused on the upcoming Labor Day Rally. We did have several guest speakers attend

including the insurance agent for the State and our attorney. There was considerable and good discussion around insurance costs and restrictions, and it was very helpful having both the insurance agent and the attorney there to provide feedback. Jona was also a guest speaker and as an indigenous person she was there to discuss selling headaddresses at LDR. After much discussion and a vote, it was decided that the state would ask this particular vendor not to sell headaddresses at the rally as it is offensive to indigenous people. A bus was purchased that will serve as staging area for bands at the main stage. No new nominations for the open State positions and the nominations were closed.

Old Business: Doyle mentioned that next Saturday (August 24th) is the track setup day for the LDR - we will meet at 9:00 that morning to set up the track.

New Business: Nothing to report.

Promoting Awareness of ABATE of Kansas

Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

A.B.A.T.E. Lawyer Referral Service

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.
